OFFICE NOTE.

From

THE CHIEF SECRETARY,

To The Secretary
Pub. Works Dept.

With reference to
para. 2. G.O. 19th May 1885,
N^o 1183 W, Public Works,
it is requested that this
Department may be informed
why any charge for supervision
should be made in the case
of the original works and
repairs in question. It seems
clear that it is for the con-
venience of the Public Works
Dept. and not for the convenience
of the Local Board that the
roads referred to are, in future
to be placed in charge of the
Pub. Works Dept.; that dept.
already has to look after the
banks upon which these roads

the P.W. Dept. as do not

run. In the case of those roads which are partly on river banks and partly not the fairest plan would seem to be to charge for portions not on the banks and not to charge for the rest. It is noted that in G.O. 31 March '81, No. 234.1. and in G.O. 12 Nov 1880, No. 2661 W, similar charges in Tanjore and South Arcot were waived.
