Circular No. 1761, dated Simla, 3rd July 1885.

From—The Govt. of India, Dept. of Finance and Commerce,

To—The several Depts. of the Govt. of India and all Local Govts. and Administrations.

The rules in Chapter XIII of the Civil Pension Code regarding re-employment of pensioners require in certain cases deductions to be made from the pensions or salaries of re-employed officers. Instances have recently been brought to the notice of the Governor-General in Council in which such deductions were not made owing to the officers of Account having been ignorant of the fact that the re-employed officer had been granted a pension for previous service. The Governor-General in Council accordingly directs that in future when a person who was formerly in Government employ is re-employed, whether temporarily or permanently, the authority re-appointing him shall specifically state in the order of re-appointment whether he received any gratuity, bonus, or pension on retirement, and shall communicate a copy of this order to the Audit Office, and, if necessary, direct that the proper deductions may be made.
