GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 28th August 1885, No. 858 T.J.:—

With reference to paragraph 3 of G.O., No. 677 I., Public Works, dated 23rd July 1884, I have the honor to forward an estimate for raising a wall on the south side of the Cauvery river, in Kumbakonam town, as protection from floods in those places where there is no space for an embankment. The cost of the wall is estimated at Rs. 2,330.

2. I also forward copy of a letter from the Collector of Tanjore enclosing proceedings of the Kumbakonam municipality, in which they state they are willing to contribute two-thirds of the cost on condition that Government pay the other third. The President does not give any separate opinion on the matter; so, I suppose, he agrees with the members of the municipality.

3. I consider that the municipality have no claim whatever for any grant-in-aid in the work of protection of the town. Should Government accept the offer of the municipality, I suppose Government will relieve them of the charge of $24\frac{1}{2}$ per cent. for establishment, tools and plant, &c., on the contribution.

ENCLOSURE.

From J. B. PENNINGTON, Esq., Collector of Tanjore, to the Superintending Engineer, VI Circle, dated Vallam, 19th August 1885, No. 628.

Adverting to your endorsement, No. 1896 T.J., dated 7th March 1885, appended to copy of a letter from the Executive Engineer, Tanjore, I have the honor to forward an extract from the proceedings of the municipal councillors, Kumbakonam, about the construction of a protective wall along the south bank of the Cauvery from the bridge to the subjail.

2. The enclosures received with your letter under reference are herewith returned.

Proceedings of the Municipal Councillors, Kumbakonam, dated 12th August 1885.

Read Collector's letter, No. 591, dated 3rd August 1885, requesting the views of the councillors, after reconsideration, about the erection of a protective wall along the southern bank of the Cauvery.

Resolved that the councillors, on reconsideration, are of opinion that the construction of the works included in the estimate is necessary. The councillors are willing to contribute two-thirds of the cost on condition that Government will contribute the remaining third.

(Signed) P. W. MOORE,
Chairman.

Endorsement on the above.

No. 80 E.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommendation that the estimate, amounting to Rs. 2,330, or Rs. 2,890 including establishment and tools and plant charges at 23 and 1 per cent., respectively, for raising a masonry

wall on the south side of the Cauvery river, in Kumbakónam town, may be sanctioned under "Miscellaneous Public Improvements," two-thirds of the total estimate being paid by the municipality and the balance being met from Provincial Funds.

2. Under paragraph 83, clauses III and IV, of the rules communicated with the Government of India circular, No. 13, Public Works, dated 29th July 1885, an acknowledgment should be procured from the municipality to the effect that in undertaking the work this department does not accept responsibility for unavoidable and reasonable excesses, and the contribution by the municipality should be paid into the Government treasury either in lump sum or in such instalments and by such dates as Government may decide.

CHEPÁK,
5th September 1885.

(Signed) A. W. SMART, Captain, R.E.,
for Chief Engineer for Irrigation.

ORDER—dated 9th October 1885, No. 2345 W., Public Works.

The estimate, amounting to Rs. 2,330, for constructing a masonry wall on the south side of the Cauvery river for the protection of the town of Kumbakónam, is sanctioned.

2. The municipal council will pay into the Government treasury, to the credit of the Public Works Department, a sum of Rs. 1,925, as shown in the margin, as their contribution towards the cost of the work. The balance, Rs. 777, to be provided from Provincial Funds, will be allotted as soon as practicable.

Works	Rs. 2,330	
Establishment and tools and plant ...	560	
$\frac{2}{3}$ of 2,890 = Rs. 1,925.	Total ...	2,890

3. The work will be carried out by the Public Works Department in accordance with the rules embodied in proceedings, No. 1976 W., dated 25th August 1885.

4. This sanction has been registered as Provincial, No. 134 W. of 1885-86, and classified as Miscellaneous Public Improvements, Original Works.

To W.

Please see Mr Wilson's
 remark on a/cy. draft
 order -

The paper was circu-
 lated "for orders" whether
 the P.W. Dept. should make
 any contribution at-
 all - On this point the
 Ch. Secy's counter-initials
 were not received -

On the order being
 afterwards dropped,
 it was sent to the Ch.
 Secy. for counter-initials
 with a reference to
 para 2, in which in-
 structions are given to
 the Municipal Council
 to pay the amount of
 their contribution into
 the Treasury, & credit
 the P.W.D.

It is recommended that
 the order be sanctioned.

Read the following:—

From the Supg. Engineer VI Circle No 858. J. J.
 of 28th August 1885.

Endorsement of the Chief Eng^r for Irrigation
 No. 80 E.W. of 5th September 1885.

FOR ORDERS.

In para: 3 of G.O.
 No 677, I dated 23rd July 1885,
 the Superintending Engineer
 VI Circle was directed to
 submit, in communication
 with the President of the
 Municipality, an estimate
 for constructing a masonry
 wall on the south side of
 the Cauvery river for the
 protection of the town of
 Kumbakonam. It was then
 remarked that the incidence
 of the cost would be
 decided on receipt of the

estimate; "but though the Govt.
"may be disposed to assist
"in the event of the necessary
"work being very costly, the
"duty of protecting the town
"is one that devolves on the
"Municipality."

The estimate has now
been received and amounts
to Rs 2330; or to Rs 2890
inclusive of charges for estab.
if the work be carried
out by the P. W. Dept. Of
this sum the Kumbakonam
Municipality offer to con-
tribute two-thirds, and ask
the Govt. to bear the balance.

For orders whether
the offer shall be accepted.
The estimate is small, while
the Municipality is a wealthy
one; and it appears that the
duty of protecting the town
should fall on the Municipality.

Ass. 53/9. C. 23/9.
C. 028/9/85. 23-9-85

I think Govt may contribute
 $\frac{1}{3}$. The work will be carried out by the
P.W.D. H.V.
