Camp Watair 19th May 1885.

From

The Superintending Engineer
First Circle

To

The Chief Engineer
P. W. Department
Madras.

Sir,

In reply to your memo N^o. 1155 D.
dated 7th Instant, and in continuation of
my telegram dated 3rd May 1885, I have the
honor to inform you that I hope to submit
the Patinghy Koraput Road Estimate by
the end of this month, or the beginning
of next.

2 As you are aware by my telegram
of the 7th March 1885 the estimates had
to be returned to the Divisional Officer
for certain corrections, they have since
been received from the Divisional
Officer but some material alterations

have still to be made principally
in regard to the Waterway to be al-
lowed and several of the bridges have
to be redesigned, these Corrections and
alterations are being made myself
and to save further delay, I propose
sending in the Estimates with my
Corrections and without returning
them to the Executive Engineer to be
revised.

I have the honor to be
Sir

Yours most obedt. Servt

Wm Foxe
Superintending Engineer of the
Leitchfield
