READ—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 25th September 1885, No. 265:—

With reference to paragraph 3 of my letter, dated 2nd February 1885, No. 22 (embodied in G.O., No. 525 W., Public Works, dated 7th March 1885), I have the honor to state the Superintendent of Prisons reports that prison labor is now available for the construction of twelve solitary cells in the Penitentiary at Madras, as there has been a very considerable influx of prisoners into that jail lately.

2. As these cells are still urgently required for the confinement of prisoners undergoing judicial sentences of solitary confinement, I would request that this work may be commenced as soon as possible; and that, if the full amount sanctioned cannot be provided this year, a portion of it may be.
