ABSTRACT.—Forwarding the explanation submitted by the Superintending Engineer, III Circle, regarding the delay in the submission of pension and gratuity applications on behalf of members of the Imperial petty establishment.

ORDER—dated 24th September 1885, No. 1140, Pension.

The Superintending Engineer reports that the fact that G.O., 15th February 1881, No. 406 W., had retrospective effect was communicated to him in November 1883, and that the claims of members of the petty establishment, whose services were dispensed with in 1879, are being disposed of accordingly. Two years have nearly elapsed since that date, and no further delay should be allowed to occur in the submission of such claims.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintending Engineer, III Circle, to the Examiner of Public Works Accounts, dated Madras, 17th January 1885, No. 2051.

I have the honor to forward the gratuity application of the late Shesagiri Row, a maistry in the Bellary division. The applicant's service book is not forthcoming, and his service for a period of four months cannot be verified from records. It has therefore been entered in the column "Period not reckoned as service."

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Superintending Engineer, III Circle, dated 29th January 1885, No. 189, S.E. 3rd.

I have the honor to return, herewith, the gratuity application of late Shesagiri Row, late maistry, Bellary division, received with your letter, No. 2051, dated 17th instant, and to request that the same may be retransmitted to this office on as early a date as possible, with information on the following points :—

- (a) The amount of saving accrued to Government by the abolition of the applicant's appointment, and the reason why the applicant could not have been provided with other suitable appointment, should be noted against entry No. 4 on page 5 of the gratuity application.
- (b) Whether the applicant was employed in any office on his services being dispensed with on reduction of establishment in the Public Works department on the 29th February 1880 ; if so, the name of the appointment and the rates of pay he drew should be noted in the page above referred to.
- (c) The periods noted in the margin have not been verified from the audit registers of this office or from those of the Divisional office. It is requested, therefore, that an affidavit supported by such collateral evidence as may be available, *i.e.*, statements of contemporary servants, original certificates of character, &c., may be obtained and forwarded to this office for submission to Government.

2. When returning the papers, please state the exact date of the applicant's death, together with the names of his legal heirs, to enable this office to make a report to Government.

3. Explanation of the delay in the submission of this application should also be submitted for the information and orders of Government.

From the Superintending Engineer, III Circle, to the Examiner of Public Works Accounts, dated Madras, 8th June 1885, No. 511.

With reference to your letter, No. 189, S.E., 3rd, dated 29th January 1885, I have the honor to return the gratuity application of late Shesagiri Row, with the required information duly entered.

2. The applicant was not employed in any office after his removal from the Public Works department.
3. As the applicant is dead, it is not possible to obtain the affidavit and collateral evidence required by you.
4. The applicant died on the 3rd January 1881. Govinda Row, who is the son of the deceased, is the legal heir.
5. The decision of the Government that members of the Imperial Petty establishment are entitled to pension was only lately made known to this office, and this accounts for the delay in the disposal of these claims.

Certificate and report from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Under Secretary to Government, Pension department, dated Madras, 18th June 1885, No. 871-A.R.

Certified that qualifying service in inferior grades has been duly proved for 9 years and 5 months, and that a compensation gratuity, not exceeding Rs. 60 (sixty), equal to three months' pay, at Rs. 20 per mensem, will be admissible under sections 104 and 121 (a) of the Civil Pension Code. The calculations have been duly verified. The compensation gratuity, if sanctioned, is chargeable to General (now Provincial) revenues.

2. With reference to section 134, rule 4, of the Civil Pension Code, attention is solicited to section 69.

ORDER—dated 9th July 1885, No. 861, Pension.

Under sections 104 and 121 (a) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to K. Shesagiri Row, late maistry, Petty establishment, Bellary division, a compensation gratuity of Rs. (60) sixty, equal to three months' pay, payable at Bellary, in consideration of his qualifying inferior service of 9 years and 5 months.

2. As the applicant is reported to have died on the 3rd January 1881, the gratuity sanctioned will, under section 177, rule 2, of the above code, be paid to his son Govinda Row.

3. The attention of the Public Works department will be drawn to paragraph 5 of letter from the Superintending Engineer, III Circle, to the Examiner of Public Works Accounts, No. 511, dated 8th June 1885, stating that "the decision of the Government of India that members of the Imperial Petty establishment are entitled to pension was only lately made known to this office." It is observed that the decision referred to was communicated to this department by the Public Works department more than four years ago by G.O., 15th February 1881, No. 406 W., and was apparently communicated to all Superintending Engineers at the same time.

No. 113-A. From Major D. H. TRAIL, R.E., Officiating Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 17th August 1880, No. 86 W.

I HAVE the honor to forward herewith copy of letter No. 2,628, dated 26th July 1880, received from the Executive Engineer, Tanjore Division, and, with reference to paragraph 2 thereof, to respectfully solicit the orders of Government on the question raised by that officer, as to whether the lascars who belonged to the Permanent Establishment prior to the reorganization of September 1878, but who were transferred to the Petty Establishment under orders of Government, No. 3,674 W., dated 18th September 1878, are to be considered as members of the Permanent Establishment, and allowed the benefits of the Civil Pension Code, while serving on the Petty Establishment.

2. From previous orders of Government, contained in G.O., Pension Department, No. 631, dated 19th November 1877, (copy attached,) it will be observed that the Petty Establishment of this Presidency has hitherto been held to be on a temporary footing only.

3. The favor of very early orders are solicited.

From the Executive Engineer, Tanjore Division, to the Examiner of Public Works Accounts, Madras, dated 26th July 1880, No. 2,628.

WITH reference to paragraph 2 of your No. 306 S.E. 3rd, dated 12th July 1880, I have the honor to inform you that there is only one application not yet submitted, and that is in behalf of office subordinate Purushottama Naidoo, lately transferred to the Local Fund Board with the Local Fund Overseers, and this application will be forwarded in a week to the Superintending Engineer.

2. I take this opportunity to inquire if the lascars, who are now classed as belonging to Petty Establishment, and who formerly belonged to the office establishment, are not entitled to any remuneration in the shape of gratuity or pension for services rendered by them before their pay was charged to "Petty Establishment."

FROM

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

SIR,—In forwarding the marginally noted Proceedings for the information of the Government of India, I am directed to request that the Governor-General in Council may be moved to reconsider the order conveyed in Mr. Sinkinson's letter, No. 4,105, of the 31st August 1877, Financial Department.

2. It is to be regretted that the matter was not more clearly placed before the Government of India in the first instance, as the tenor of the correspondence forwarded with Mr. Master's letter of the 17th September 1877, No. 507, was such as to lead to the inference that the Petty Establishment of the Madras Public Works Department was on a temporary footing, and therefore precluded by the rules of the Civil Pension Code from reckoning their service for pension.

3. As stated by the Officiating Controller of Public Works Accounts in his letter of the 13th of October 1874, No. 6,810, (recorded with G.O., of the 14th January 1876, No. 70,) there was no reason for not extending the provisions of the Civil Pension Code to men of the classes enumerated in paragraph 9, Chapter I of the Government of India Public Works Code, provided that their service was continuous.

4. Previous, however, to the date of the letter above mentioned, the Controller's office had, without obtaining the sanction of this Government, regarded the whole of the Petty Establishment as temporary; a view which is not held to be valid, as, in the order marginally noted, a sanctioned scale for each district, distinguishing clearly between the Temporary and Petty Establishments, was laid down.

5. The Proceedings of this Government, No. 70, of the 14th of January 1876, which, as it now appears, were cancelled under a misapprehension, on receipt of Mr. Sinkinson's letter, were therefore correct in principle, and should, in the opinion of His Grace the Governor in Council, be upheld.

6. The case which has immediately given rise to this reference is slightly different. Prior to the reorganization of the establishment, the men in question were on the office establishment, their service being therefore pensionable, but having been on that occasion transferred to the Petty Establishment, they have, owing to the above mentioned misapprehension, been shut out from the benefits of the Pension Code.

7. There can, in the opinion of this Government, be no doubt as to the equity of considering that the service for pension of these lascars has been continuous; and in anticipation of the approval of the Government of India orders have been issued accordingly.

I have the honor to be,

Sir,

Your most obedient servant,
