Sir,

In reply to your letter No. 1949 W dated the
21st August 1885, I am directed to state that
the Budget Estimate of expenditure on the
Madras Harbour Works during 1885-86 has not
been sanctioned and that it is considered

desirable to limit the expenditure to such
amount as is necessary to keep the work going
until the Port Trust is formed and takes over the
work. I am to request that the amount so
necessary may be reported to the Govt. of
India.

but ~~many~~ I suppose
will not become
law for some
time. We cannot
form information
available here
tell the Supt. for.
how long he must
estimate expendi-
ture - ~~but~~ perhaps
some more definite
information may
be obtainable from
legislative Dept
at Ooty. I therefore
send the papers
on to you for the
necessary reference.
