GOVERNMENT OF MADRAS

PUBLIC WORKS DEPARTMENT.

Buildings and Roads
Civil Works

Read—The following letter from Colonel J. BRADY, R.E., Superintending Engineer,
IV Circle, to the Chief Engineer for Irrigation, dated Coimbatore, 27th
December 1884, No. 180 R.I.

As directed in paragraph 1 of Proceedings of the Madras Government, No. 2472,
of 7th October 1884, I have the honor to report that I communicated with Lieutenant
Colonel C. J. Smith, R.E., Consulting Engineer for Railways, and have ascertained that
the short canal and landing bank, which it is proposed to construct at Elur station, falls
within the station premises of the Madras Railway Company and will be carried out
by them.

2. The District Engineer, West Coast division, has made arrangements for
taking longitudinal and cross sections of the line of backwater communication from
Pondicherry to Pondicherry with a view to estimating for its improvement.

No. 22 R.W.

Transmitted to the Chief Engineer, Public Works Department, with reference to
G.O. No. 2473 W., dated 7th October 1884.

Yours faithfully,
21st January 1885.

(Signed) J. O. HASTED, C.E., R.E.,
Chief Engineer for Irrigation.

Encl.—Letter 2nd February 1885, No. 244 W., Public Works.

Recorded. The estimate referred to in paragraph 2 of the Superintending
Engineer's letter will be awaited.

for Irrigation.

Sir,

As directed in para 1 of Pro-
ceedings of the Madras Government
No 2473 of 7th October 1884, I have the
honor to report that I communicated
with Lt Col C. J. Smith R.E. Consulting
Engineer for Railways and have as-
certained that the short Canal and
loading bank which it is proposed
to construct at Tirur Station falls
within the Station premises of
the Madras Railway Company
and will be carried out by them.

2. The Executive Engineer, West
Coast Division has made arrange-
ments for taking longitudinal
and

and cross sections of the line
of backwater communication from
Tinar to Ponani with a view to
estimating for its improvement.

I have the honor to be,

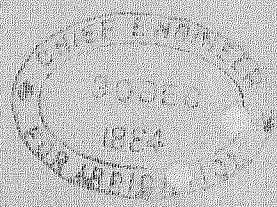

Sir,

Your Most Obedt. Servant.
