Following letter from Lieut.-Colonel J. L. L. MORANT, R.E., Officiating
Sculpting Architect to Government, to the Chief Engineer, Public Works
Department, dated Chepak, 15th April 1885, No. 50 :—

In honor to submit, for the approval and sanction of Government and
Engineers, an estimate, amounting to Rs. 3,273, for planting and maintaining
Chepak Park for the first half of the current official year ending 31st September

1885. The estimate, it will be observed, is Rs. 684 in excess of the estimate sanc-
tioned, No. 2823 W., dated 11th November 1884, Public Works Department,
second half of the official year 1884-85.

Planting operations have been greatly extended. They first comprised but
a small portion of the park. Planting is now carried on, however, over a larger extent
along the banks of the Kuan river opposite to Government house and
Hindu cemetery on the South Beach road.

Once the initial steps for beautifying the park have been completed, the
expense of the arrangements can be lessened.

30th April 1885, No. 1025 W., Public Works.

Estimate, amounting to Rs. 3,273, for planting and maintaining the Chepak
Park for the first half of the current official year, is sanctioned as supplemental to
referred to in G.O., No. 2823 W., dated 11th November 1884. The
total for the work will now stand at Rs. 25,249.

The estimate, to the extent of the estimate now sanctioned, will be provided in the
Provincial budget for 1885-86.

The sanction has been registered as Provincial No. 21 W. of 1885-86, and
as Miscellaneous Public Improvements, Original Works.
