I have the honor to submit, herewith, an application for a further extension of the sanction for establishment employed on the preparation of estimates for improving roads in Wynnad, from 1st February to the end of this official year.

1 Estimate.

Order—dated 2nd February 1885, No. 243 W., Public Works.

From

To

Sir,

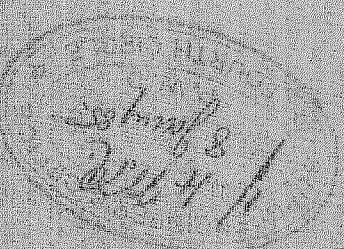

I have the honor to submit
an application for the temporary estab-
- lishment required for special duty in
Hyderabad for a further period of two
months, from the 1st of February 1905,
as the sanction given in G.O. No. 2185
of the 29th August 1904, will expire
on the 31st instant.

2. The usual statement of propo-
- sition is herewith forwarded from which
it will be seen that the establish-
- ment required for the next two
months is on the same scale as that
sanctioned in the Government order
quoted above.

Enclosure 1

Temporary Establishment
on the Wymad Survey.

Requesting extension
of the sanction for
..... to 1st April 1905

3. The application is only made for two months, as I believe the sanction would expire at the end of the official year in any case.

4. The necessity for a further application is due partly to a considerable amount of extra work that has been fully reported on, in connection with the Waikato-Land Settlement, but chiefly to sickness amongst the surveyors and office hands.

5. I regret to say that I have just received a letter from one of the surveyors tendering his resignation on account of a severe attack of rheumatism.

6. I shall use my best endeavours to induce the man to reconsider his intention of resigning but I fear it will be useless.

7. Since my arrival in the Wairarapa I have lost a clerk and a draughtsman besides.

8. These circumstances tend primarily to delay the rapid completion of the survey and estimates, however

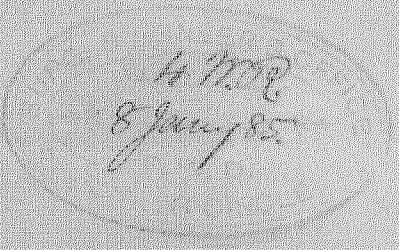

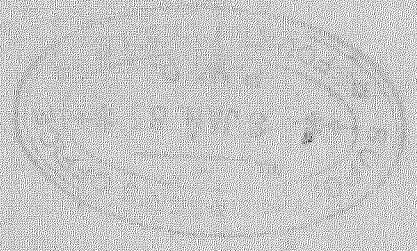

much I may wish to hasten the project. $\frac{45}{98}$

Yours most obedient servant
