From,

The Supt. Engineer—

6th Circle.

To,

The Chief Engineer—

P. W. D.

Through the Executive Engineer P. W. D.

Sir,

With reference to G.O. No. 2193 W dated 18: Ultimo on the Statement of objectionable Items in the accounts of Executive Engineers for June 1885, Item No. 6, calling upon me to report specially on the subject of over-drawal of credit at the Treasury by the Executive Engineer Ramnad Division, I have the honor to state that the Executive Engineer has, in reply to a reference already made on the subject,

reported that "he however omitted to notice it in the case under reference; that the bode rules will be strictly attended to in future and that it was the duty of the account-ant to bring to his notice that the funds in the Treasury were not sufficient to meet his drafts, as his own time is so taken up; that errors & omissions will occur though he admits that perhaps they should not".

2. I have written to him to be more careful in future. & pointed out that the orders are (see bode para 1889) that the balance at credit at the Treasury should be noted on the reverse of the counterfoil of the cheque.

I have the honor to be
Sir
your most obd. servt
