With reference to your Memorandum No 7148 dated 6th instant, I have the honor to report that an allotment of Rs 12,000 could be utilised before the close of the Official year; none of the buildings have as yet been commenced chiefly owing to a doubt as to amount available for repairs.

To L&V

The question is this:- The budget grant for Cavalry buildings at Bangalore now stands at Rs 5760,- and a further sum of Rs 1390 has been reserved by this office to supplement that grant in the event of additional funds being required before the close of the official year- As matters now stand, as it is likely that the additional grant of Rs 1390 will be required for the Cavalry buildings, for, if not, it is proposed to utilise the money on urgent requirements elsewhere.

A very early reply is requested.
