READ—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 10th September 1885, No. 244:—

I have the honor to forward an estimate for repairs to the Central jail at Vellore, amounting to Rs. 3,800, and to request that the Government will be pleased to allot funds for these repairs, which I have satisfied myself from a recent inspection of the Vellore jail are immediately and urgently required.

2. The report of the Executive Engineer, which is attached to the estimate, enters fully into the necessity of these repairs. The coverings and lifts to the wells are in a most dangerous state; it has been found necessary to discontinue drawing water from two of them on this account, and no repairs to any of them have been made during the last sixteen years.

3. I have deferred submitting this estimate for some months owing to the orders of Government to restrict expenditure as much as possible; but, as I have already remarked, I have satisfied myself that it is necessary all the items entered in the estimate should be attended to immediately.

4. I beg to report that funds are not available for these works from the budget allotment of this department.

No. 1673. Judicial.

Approved and transferred to the Public Works Department.

OOTACAMUND,
23rd September 1885.

(Signed) M. HAMMICK,
Acting Assistant Secretary.

ORDER—dated 8th October 1885, No. 2327 W., Public Works.

The estimate, amounting to Rs. 3,800, for repairs to the Central jail at Vellore, in the North Arcot district, is sanctioned for immediate execution.

2. As there are no funds available from the reserve with Government, the Superintending Engineer, V Circle, will, if possible, propose a transfer of funds to meet the cost of the repairs.

3. This sanction has been registered as Provincial No. 132 W. of 1885-86, and classified as Civil Buildings, Repairs.
