Govt. Workshop Office
Dowlaisbaram 26th Sept/85

From

The Executive Engineer
Government Workshops
Dowlaisbaram

To
The Superintending Engineer
P. Circle

Sir,

I have the honor to bring to your notice that V. Ramiah the storekeeper of the Workshops (Clerk 3rd class 3rd grade) having failed in the examination in P.W. Procedure and Practice held on the 25th July last, his pay has been disallowed by the Examiner from the above date at Rs 50 per mensem and passed at Rs 30 per mensem (vide Disallowance List enclosed) which the Clerk was in receipt of prior to his promotion to the present appointment.

2. Reference to the Chief Engineer's Circular dated 25th August last pub. ^{22nd} + No. 1402 C listing the result of the above examination will shew that the clerk has obtained 58 marks or 8 marks less than the minimum. This result I consider to be a fair one inasmuch as the man has been serving for the last 30th years in the shops the work of which is not regulated by the Code. I think therefore that it will be a difficult task for him to obtain sufficient number of marks to secure a pass. ^{* as timber writer}

3. As to his merits with reference to his present appointment, I have the satisfaction to say that he is the best storekeeper that could be had.

4. He has also deposited Rs 300 as a security and the draft agreement to be executed by him has

been sent to you with this Office No. 198 dated 4th September 1885.

5. Under these circumstances, I request that you will be so good as to move Government to exempt the man from passing the above examination and to authorize the Examiner to pass the usual pay of the storekeeper.

I have &c
Signed C. C. Rawson ^{as timber}
Executive Engineer

No. 1571 G. D

Submitted to Government with the request that under the circumstances explained by the Executive Engineer V. Rammiah storekeeper of the Dowlaishmeram Workshops may be exempted from passing the qualifying examination.
