SIR,

I have the honor to report that the pay of R. Soobramania Iyer, appointed temporary Overseer in No. III Tank Division in your No. 4636 C. of 7th March 1885, from the 7th to 21st April last, has been disallowed by the Examiner of P. W. Accounts, and to request instructions thereon.

The period in question is that intervening between Soobramania Iyer's relief from his former appointment as Channel Superintendent in the

Juniorally Division and his assumption
of his new appointment in Kumool, and
is disallowed on the ground that "the
Overseer was appointed to his present
appointment at his own request, vide
Section 160 Rule 13 of the Civil Leave
Code."

As far as I can see the rule
quoted has nothing to do with the matter,
as it refers to ministerial officers,
i.e., to Clerks Lascars &c.; moreover it
is not clear on what authority the
Examiner states that the appointment
was made at the man's own request; it
is certainly the first time, I have ever heard
of an Executive subordinate being refused
pay during transit on an occasion of promotion
involving transfer.
