No 422

Statement showing the demands and Surrenders under Provincial for 1885

2057/90

C. No: 92 of 1885

In the accompanying statement, the S. E. IV Circle submits with reference to memo No: 1522C dated 8th September 1885, surrenders of grants aggregating Rs. 48,652 and at the same time applies for re-appropriation of funds to the extent of Rs. 1,38,989.

The following note will show the necessity or otherwise of the funds applied for.

	Considered necessary	May be deferred
Item 1. This is an incomplete work of last year and a grant of Rs 2419 being the unspent balance of the estimate was provided originally, but, out of this sum, Rs 1800 were surrendered by the S. E. vide G. O. No: 1903 W dated 17th August 1885. The S. E. now reports that the surrender was estimated rather more than what should have been and applies for an additional allotment of Rs. 181	Rs 181	

Item 2. The purchase of the Pearl Bungalow at Nellacotta and converting it into a police station at a cost of Rs. 5,322 was sanctioned in G. O. No: 398 W d/17th February 1885. A provision of Rs 2190 was made by transfer in G. O. No: 2001 W d/4th September 1885. The S. E. now applies for the balance Rs 3132, the purchase of the bungalow

Item. 3. The excess anticipated is above 5 p. c. of the sanctioned estimate for the work. A specific allotment of funds is therefore necessary

Rs 400

Item 4. No estimate has yet been sanctioned for this work — nothing is apparent to necessitate the immediate [illegible]tion. Provision of funds may be deferred till estimate is sanctioned

Rs 9,082

Item 5. An estimate of Rs. 6,110 for the work was sanctioned with the approval of the Govt. of India in G. O. No: 2048 W d/ 3rd September 1885, and in G. O. No. 465 W d/ 27th February 1885, the S. E. was authorised to arrange at once for the construction of all the police buildings at Gudalur in reliance on the requisite funds being made available.

Rs. 6,110

Item 6. In G. O. No: 465 W d/ 27th February 1885, this work was authorised to be commenced at once in reliance on the requisite funds being made available and a sum of Rs. 2,190 was provided for the work in the current year's budget, but the S. E. surrendered the amount which was reappropriated to some other work — please see G. O. No: 2061 W dated 4th September 1885. Now the S. E. applies

---

Item 7. Applies for Rs 1,000 to meet liabilities already incurred

Rs. 1,000

Item 8. The S. E. explains that a sum of Rs. 2,500 having been saved from the sanctioned estimate for additions and improvements to the Collector's office at Mangalore, it is required to carry out other buildings proposed by the Collector. It is irregular to spend savings on non-sanctioned works. (S. E. might be asked to submit an estimate for the improvements when funds can be given)

Rs. 2,500

Item 9. The budget grant of Rs 15,000 for this work was withdrawn in deference to restrictive orders, but the Collector having urged the construction of the building in G. O. No: 1798 W d/ 1st August 1885, the S. E. was authorised to commence the work pending provision of funds in the Financial Department, but the Financial Department having expressed their inability to sanction a special grant for the work, the S. E. was ordered in G. O. No: 2307 W d/ 5th October 1885 to take no steps to commence the building till funds are available.

Rs. 15,000

Items 10 to 20. No lump sum allotments for minor works have been provided these Divisions for the current official

Rs. 4,411

Item 21. The work is said to have been undertaken on emergency

Rs. 1,200

Item 22. The amount applied for is said to be required for works recommended by

Item 23. This is one of the works for which the S. E. IV submitted an estimate for sanction with his letter No: 391 E. W. d/ 28th September 1885. He considers that the work should be undertaken as soon as practicable for the safety of passengers and vehicles and requests that funds may be specially provided. Rs. 2,050

Please see C. No: 8557 in file

Item 24. No estimate sanctioned. No urgency is explained. (estimate [illegible] before – work commenced) Rs. 1,126

Item 25. This survey was ordered to be postponed till funds can be made available, vide G. O. No: 2[illegible] W d/ 5th September 1885. Rs. 2,210

Item 26. In G. O. No: 2110 W d/ 9th September 1885 an estimate for Rs. 781 was sanctioned for this item and the S. E. was asked to propose a re-appropriation from the grants for other works. The S. E. now proposes the reappropriation of the allotment required for the work. The existing grant under Repairs, Civil Buildings in the West Coast Division is Rs. 3,000. Rs 700

Item 27. An allotment of Rs 8,000 was first provided to the Nilgiri Division under Repairs, Civil Buildings and it was supplemented by Rs 4,740 to meet the repairs in connection with the Bombay Castle. The S. E. now applies for a further addition of Rs 13,500 for

Item 27. (Continued)

Repairs to Govt. House etc.	Rs 9,000
Ceiling Govt. Office buildings at Ooty	Rs. 1,230
Road to Govt. House, &ca.	Rs. 1,500
Unforeseen works	Rs 1,770
Total	Rs. 13,500

Funds are not available. Rs. 13,500

These items require consideration – the [illegible] ought to be given, if possible.

Item 28. An estimate of Rs. 8,515, was received with C. No: 8557 and draft order sanctioning the same was directed by [illegible] to be kept back until receipt of replies from all S. Es to the Circular calling for surrenders Rs. 8,515

C. No: is put up in file

Item 29. This is one of the incomplete works of last year. A sum of Rs. 9,937 being the unspent balance of the estimate sanctioned for the work was provided in the statement of demands on account of incomplete and minor original works, vide G. O. No: 1533 W d/ 1st August 1885, but at the S. Es request a sum of Rs. 4,000 was re-appropriated in G. O. No: 1903 W d/ 17th August 1885 for repairs to the Bombay Castle. Now the S. E. wants Rs 682 to be expended on this work Rs 682

Item No: 30. In sanctioning an estimate of Rs. [illegible],600 for this item in G. O. No: 167[illegible] d/ 18th July 1885, the S. E. was ordered to apply for funds later in the year if no transfer of funds could be proposed by him. The work was also authorised

45,971   43,411

Item 31. The sanction of the Govt. of India to the advance of Rs. 1,25,000 referred to in G. O. No: 2226 W d/ 23rd September 1885, should be awaited

Rs 50,000

Item 32. The current year's grant under Tools and Plant to the Nilgiri Division is Rs. 4,500. The S. E. now applies for an addition of Rs. 1,600 for the purchase of certain mortar-mills &c now required.

To P.S.

This note on the reappropriation statement received from the IV Circle, shows that the proposed surrenders amount to Rs 46,652, while new demands amount to Rs 1,38,989 -

It is proposed to allot at once Rs 46,697, leaving the other demands to stand over for the present.

The items under No (27) are all urgent but it is difficult to see [illegible] the sum of Rs 13,500 [illegible] provided - The balance of reserve will admit of Rs [illegible] being given for the three last items of No (27), but no money will be available for repairs to Govt. House. Orders are requested on this point.

[illegible] no provision has been made for the purchase of the debenders house near the lake, & we must apparently go to the Fin. dept for the money, as originally proposed.

Orders will be drafted, if allotments proposed in this
