Requests that a re-allotment of Rupees three thousand two hundred may be made for constructing four new cells in the District Jail at Calicut

Instead of the draft order proposed by the Budget branch, I would suggest that the disposal be to the effect that the Govt regret that no funds are available.

Under the restriction orders, Supply Depts were told that no new works should be included in their Statements of demand against the reserve, & it was evidently for this reason that the S.O. IV Circle did not carry out the instruction in para 2 of G.O. of 18.4.45. No. 926 W.

From H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 5th December 1884, No. 356.

With reference to the order of Government, dated 28th April last, Mis. 2. The superintendent of the district jail at Calicut reports that, on reconsideration, he thinks it best to have four new cells constructed instead of converting the two existing infection wards into four cells, and suggests that they may be built in one block and not in two, which proposal receives my approval; and I have the honor to request that Government will be pleased to accord sanction and allot funds for the work to be executed during the current official year for reasons set forth in this office letter, No. 106, dated 17th April last.
