The accompanying draft order in the Finl. dept., proposing to give retrospective effect from 1.4.84, to G.O. No 2330 W d/ 8.10.85, having been sent here for counter-initials, it was considered advisable to ascertain in the first instance, what it would cost the P.W.D. to refund to local funds the supervision charges levied in 1884-85, for the upkeep of roads running along tank bunds in the Tanjore district—

The S.E. now reports that the maintenance charges in 1884-5 were Rs 11,543 an that the contribution charges to be refunded will be only Rs 2655.

This sum can probably be charged off to savings under estim & the draft order wi therefore be initialled if approved.

With advertence to para 3 of Col. Mead's letter of 29.10.83, No. 1242, it will be sufficient perhaps to tell the Fin'l dept, in returning the file, that the order applies also to roads running alo river banks.
