GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following letter from H. O'CONNELL, Esq., General Superintendent, Public Works Stores, to the Superintending Engineer, V Circle, dated Madras, 23rd October 1885, No. 815 S:—

I have the honor to forward, for your countersignature and submission to Government, the annual indent in triplicate for stores required from England for Provincial services for the year 1886-87, with budget estimate and explanatory note.

2. Keeping in view the desirability of economizing expenditure, and of reducing the stock in the Public Works Stores, I have indented for such articles only as are essentially necessary.

3. The articles due on former indents will, in all probability, be received during the current official year.

4. The value of the indent for 1886-87 is Rs. 12,524-6-0 less than the abstract estimate; this is owing to some of the articles required by divisional officers being available in stock for issue during the next official year.
