GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following office note from the Examiner, Public Works Accounts, dated Madras, 5th June 1885, No. 170 :—

Under the circumstances referred to in the enclosed copy of letter, No. 25, dated 7th April 1885, from the Executive Engineer, Presidency division, to the Executive Engineer, Nílgiri division, would it not be advisable that the whole grant of Rs. 5,000 should be placed at the disposal of the Executive Engineer, Presidency division, and the estimate for furniture charges of all three Government houses treated as one ?

2. Under the present system arbitrary amounts are adjusted in transfer (without vouchers) to Nílgiri and Chingleput divisions, which only results in needless accounting.

3. I would also ask whether these charges, being on account of the maintenance of Government house furniture (whether by repairs or renewals) in proper condition, would not more legitimately be classed as "Repairs," as defined in Code paragraph 1066, than as "Original Works."

Enclosure.

From Colonel W. H. BURTON, R.E., Executive Engineer, Presidency Division, Bangalore, to the Executive Engineer, Nílgiri Division.

His No. 25, dated 7th April 1885.

Has the honor to inform him that as this division disburses all expenditure incurred on account of Government house furniture, and as the accounts thereof are rendered to this division by the Private Secretary to His Excellency the Governor in the imprest account form, it is deemed desirable to have all vouchers relating to such accounts recorded in the division making the disbursements.

2. The rule is that the Presidency division makes payments to the Private Secretary to the extent of the total grant, viz., Rs. 5,000, and at the end of the year the amount expended is adjusted as follows :—

Rs. 3,000 to Presidency division.
" 1,000 to Chingleput do.
" 1,000 to Nílgiri do.

Order—dated 17th June 1885, No. 1413 W., Public Works.

In the circumstances brought to notice by the Examiner, Public Works Accounts, the grant for furniture charges of all the three Government houses will in future be placed at the disposal of the Executive Engineer, Presidency division, and classified as "Repairs."

2. The following reappropriation of funds is sanctioned :—
