Resolution—

The Secretary of State has approved of a proposal, put forward by the Government of India, for improving the emoluments of Sub-Engineers, 1st grade, and Accountants, 1st grade, of long and meritorious service ; and the Governor-General in Council is pleased to issue the following rules :—

I. An increment of Rs. 50 a month may be given by Local Governments and Administrations to—
   (*a*) Sub-Engineers, 1st grade, who have been five years continuously in receipt of the pay of their grade.
   (*b*) Accountants, 1st grade, who have been five years in receipt of the maximum pay of their grade.

II. A second increment of Rs. 50 a month may be given to an officer of either of the above classes after 10 years such service.

III. These increments are not to be given merely on account of long service, but only on special recommendations to the Local Government or Administration, in each case, on account of exceptionally good service.

IV. The increments may be given to those who are decided to be entitled to one or both, with effect from 13th November 1884.

The Secretary of State has requested the Government of India to draw special attention to the third of these rules.
