Read the following paper:—

No. 115. From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 13th July 1880, No. 162.

I HAVE the honor to inform you that I have entertained the undermentioned individuals to the temporary appointments sanctioned in G.O., No. 1,087 W., dated 5th May 1880. Preference was given to these men for they were thrown out of their employment owing to the recent reduction, and the Examiner provisionally passed their pay for May, but in auditing the bill for June he has disallowed their whole pay for May and June 1880, pending an order of Government on a reference made by him on the subject:—

1. Mr. J. M. Brito to be temporary Clerk on Rs. 25 per mensem. He is an old servant of Government, and has submitted his application for pension.
2. C. M. Mylappah Pillay to be a temporary Clerk on Rs. 25 per mensem. He is a passed candidate, and is in Government service from December 1872, and has submitted his application for gratuity.
3. Sandappa Pillay to be a temporary Clerk on Rs. 19½ per mensem. He is an unpassed man, but in Government service for the last nine years, and has submitted his application for gratuity.

2. I have the honor to request that you will be so good as to authorize the Examiner to pass the pay due to the temporary clerks for their actual services in my office; and at the same time I solicit an order for re-admitting (for such temporary employment as sanctioned by Government in G.O., No. 1,433 W., dated 18th June 1880) the men who have not passed the Uncovenanted Civil Service Examination, but otherwise qualified for the temporary employment for a limited time. The unpassed old servants will only be allowed to draw Rs. 19½, though the sanctioned rate of pay is Rs. 20 or above per mensem.

No. 116. ORDER THEREON, 29th July 1880, No. 1,809 W.

THE Government have already intimated in their Order, No. 1,684 W., of 15th instant, that there is no objection to the re-employment of compensation pensioners, provided that their pay and pension do not together exceed their former salary.

2. Unpassed men discharged on account of reduction may be re-appointed to posts the salaries of which do not exceed those formerly drawn by them, even should the latter exceed Rs. 20.

3. If Sandappa Pillay's former salary was not less than Rs. 25, he can be appointed on that salary, but if not, he can only be so appointed if no qualified candidate is available.

4. The practice of appointing unpassed men on salaries below Rs. 20 to posts the proper salaries of which are above that amount is forbidden.

Memorandum from the Chief Engineer for Irrigation, dated 21st May 1884.

With reference to endorsement, No. 167 E., dated 21st May 1884, the undersigned  
has the honor to report that the duties of an Irrigation Conservancy Superintendent  
are to watch the river banks, the canals, and principal branches, and all masonry  
works ; to prevent damage by weather or water action ; to see that the canals, banks,  
and sluices, &c., are not tampered with or injured by ryots or others ; to see that the  
Executive Engineer's orders regarding the proper depths to be maintained at the  
regulating calingulabs or sluices within his charge are accurately carried out ; to keep  
the Executive Engineer informed of the condition of crops under irrigation, and the  
state of the water-supply ; to prepare estimates for, and superintend execution of,  
clearances and bank repairs which may often require levels to be taken.

2. The pay of a Conservancy Superintendent varies from 8 to 50 rupees and upwards according to the responsible nature of the duties devolving on him. The pay drawn by the Superintendents of the Tanjore district is shown below :—

To the Director of Public Instruction.

From H. B. GRIGG, Esq., M. A., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated Ootacamund, 1st July 1884, No. O/417.

With reference to official memorandum, No. 977, dated 5th May 1884, I have the honor to state that, considering the duties and salary attached to the office of Conservancy Superintendents, I am of opinion that Irrigation Conservancy Superintendents on salaries of Rs. 20 and upwards should be required to pass the usual tests for admission to the public service, although the Government might exempt, in special cases, for long service and good work, men already in Government service who have been employed in the capacity of Superintendent for a considerable period—say ten years.

2. I think it undesirable to treat the servants of any department of the Government service exceptionally, as such exceptional treatment tends to create dissatisfaction among other servants of Government not similarly favored. The Government approved this view sometime since on an application of the Commissioner of Salt Revenue to exempt certain lower subordinates of the department from the general education tests, and I think the principle should be maintained in all departments without exception, leaving individual cases for special treatment.
