From,

The Offg: Supg: Engineer
Fourth Circle.

To,

The Chief Engineer
P. W. Department

Sir,

I have the honor to request you will be good enough to obtain an allotment of Rs: 4000 to meet the cost of Repairs to the Station Hospital at Cannanore.

2. An estimate amounting to Rupees 4,000 has been prepared at the request of the Senior Medical Officer of the station and it has been approved by the General Officer commanding the Western District.

3. The greater portion of the

estimate viz Rs. 3200 is for
repairs to the roof. Some
 petty repairs have been carried
out during the last 4 or 5 years
as leakages occurred, but the
roof is now so bad that no-
thing but thorough repairs
before the next monsoon,
will make it habitable.

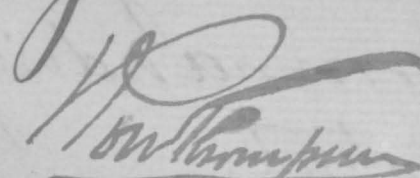

4. The current year's grant
has already been appropriated
to other necessary works and
nothing can be spared out of
it to meet the amount of the
present estimate.

5. The work should be
put in hand by January next
at the latest.

I have the honor to be

Sir,

Your most obt. servt.

W. Thompson, Secy. to the
Off. of the Govt. of India.
