Orders on the Military Works Budget Estimate for 1885-86 *and Revised Estimate for* 1884-85.

Read—

Military Department Resolution, No. 1131 M.W., dated 5th November 1884.
Endorsement No. 3161 W., dated 27th December 1884, from the Government of Madras.

Resolution—

The estimates of revenue are accepted for the sums noted below; the variations in the estimates should, however, have been explained :—

—	Budget estimate, 1885-86.	Revised estimate, 1884-85.	Budget estimate, 1884-85.	Actuals, 1883-84.

2. The estimates of expenditure have been prepared for the sums entered in the following table :—

Budget Estimate for 1885-86.

3. The only point which calls for observation is the slow progress provided for—

Item 1.—New barracks for Royal Artillery, St. Thomas' Mount.
Item 2.—Barracks for detachment, British infantry, Malapuram.

It would appear desirable to increase the provision for these works so as to admit of their completion during the ensuing year, the additional funds required being obtained by reappropriation from the grant for repairs.

4. With these remarks the budget estimate is passed for the sum of Rs. 6,50,000, the grant provisionally assigned in Military Department resolution of the 5th November last.

5. The revised estimate of the current year is passed, as submitted, for Rs. 6,12,800.

6. The authorisations herewith given are subject to a strict observance of the rules in force for the financial regularity of departmental work.

Order—

Ordered that this resolution be communicated to the Government of Madras, for information and guidance, with the request that 45 printed copies of the budget estimate, as now passed, may be submitted so as to reach the Government of India not later than the 1st May 1885.

Ordered, also, that a copy be forwarded to the Accountant-General, Public Works Department, for information.

ORDER—dated 27th April 1885, No. 982 W., Public Works.

Ordered that the final issue of the Imperial military works budget estimate for 1885-86, prepared for the grant of Rs. 6,50,000, sanctioned by the Government of India in the resolution read at the head of these proceedings, be printed, and 45 copies forwarded to the Government of India.

2. The Superintending Engineers, IV and V Circles, will adopt measures for the vigorous prosecution of work on the marginally-noted projects, referred to in paragraph 3 of the ~~resoultion~~ resolution recorded above. The construction of a fortified post at Agaram having been completed during 1884-85, the grant of Rs. 2,827 provided for the work in 1885-86 has been withdrawn, and added to barracks for detachment of British infantry at Malapuram. On receipt of the usual statements of demands on account of Repairs, Military, the question of further increasing the grants for the two works named by the Government of India will be considered.

(1) New barracks for Royal Artillery, St. Thomas' Mount.
(2) Barracks for detachment, British infantry, Malapuram.

3.
