expressed his willingness to make over the land to Government on condition that it was returned to him when no longer required, but was unwilling to part with the land out right.

This offer not being accepted by the Collector, who urged the absolute surrender of the land the Tirumalpad petitioned the Board of Revenue who called for a report from the Collector on receipt of which, vide their Proceedings dated the 7th of September 1885, the Board declined to interfere.

Although it is not clear that the Board have any power to interfere with Collectors in proceedings under the Land Acquisition Act, the case was adjourned on the 26th May on account of the non-appearance of the Tirumalpad, and of the action taken by him in the matter in appealing to the Board.

Further Notices were on the 18th September sent to the Tirumalpad, to Messrs Parry & Co Madras, to Mr J. W. Minchin Cuddalore, and the Superintendent of Police to appear Settlement
