Civil Works.

Read—again—

G.O., dated 22nd September 1885, No. 2215 W., Public Works.

Read—also the following G.O., dated 5th November 1885, Mis. No. 1486, Fina

From the Master Attendant, Madras, to the Chief Secretary to Gove
dated 20th October 1885, No. 8736.

With reference to G.O., Financial, Mis. No. 1371, dated 2nd October
have the honor to state that the repairs to the sea dyke at Masulipatam do not
to be a work contemplated to be borne by Port funds, as under section 47
Indian Ports Act XII of 1875 expenses incurred for the benefit of vessels o
to be met from those funds. The sea dyke at Masulipatam is maintained
protection of the town, and the repairs in question should therefore form a Mu
or Provincial charge.

Order—dated 5th November 1885, Mis. No. 1486, Financial.

Communicated to the Public Works Department, with reference to order in
department, No. 2215 W., dated 22nd September 1885.

(True Extract.)

Order—dated 1st July 1885, No. 1533 W., Public Works.

The statements printed with these proceedings exhibit the demands m
Superintending Engineers for Provincial minor and incomplete works, repai
tools and plant.

2. The demands under Repairs are as follows :—

	RS.
Civil Buildings...	82,054
Communications	49,100
Miscellaneous Public Improvements	7,421
Total ...	1,38,575

3. The total allotments, as shown in statement A, are :—

	RS.
Civil Buildings	85,360
Communications	72,640
Miscellaneous Public Improvements	6,730
Total ...	1,64,730

4. The Superintending Engineer, IV Circle, made no demands in his st
under Repairs and Tools and Plant; but he has since explained that the grants
his circle under those heads at pages 18 and 47 of the final issue of the Pr
budget for 1885-86 are not susceptible of reduction. The allotments made
I and V Circles are less than the demands; and, if the grants are hereafter f
be inadequate, endeavours will be made to supplement them. Expenditure
however, be restricted to absolutely necessary requirements.

5. The budget provision under Repairs amounts to Rs. 2,24,175;
difference, Rs. 59,445, between that sum and the allotment now made is tra
to the reserve under Civil Buildings.

6. The total demands under Tools and Plant aggregate Rs. 22,100; and the total allotments, after providing for the requirements of the IV Circle, amount to Rs. 29,600. The provision in the budget for expenditure in India under this head is Rs. 51,115; and the difference, Rs. 21,515, between that sum and the allotment now made is transferred to the reserve under Civil Buildings.

7. The amount reserved in the budget for incomplete and minor works was Rs. 1,18,930, but subsequent modifications have reduced the sum to Rs. 1,07,123. The total amount available for distribution is therefore:—

	RS.
Reserve with Government ...	1,07,123
Transferred from Repairs ...	59,445
Do. from Tools and Plant ...	21,515
Total ...	1,88,083

8. The demands received are as follows:—

Incomplete minor works ...	4,931	
Do. major works ...	1,74,287	
Do. Registration works ...	24,141	
Do. Police works ...	19,423	
Total incomplete works ...		2,22,782
New minor works ...	5,192	
Do. major works ...	2,000	
Do. Registration works ...	2,455	
Do. Police works ...	8,153	
Total new works ...		17,800
Lump sum grants for minor works ...		8,425
Total demand ...		2,49,007

9. The allotments granted are shown below:—

Incomplete minor works ...	3,241	
Do. major works ...	1,20,025	
Do. Registration works ...	23,407	
Do. Police works ...	18,534	
Total incomplete works ...		1,65,207
New minor works ...	2,150	
Do. major works ...	8,700	
Do. Police works ...	1,725	
Total new works ...		12,575
Lump sum grants for minor works as per statement A ...		8,425
Total allotments ...		1,86,207

10. In the case of several works entered in the list, demands are made for grants in addition to allotments already provided in the budget. The demands in such cases have not been complied with under existing financial pressure; but, if necessary, endeavours will be made to provide additional funds later in the year.

11. Grants have been provided for only two minor new works, viz., "Furnishing clerks' quarters at Ootacamund" (Rs. 2,150, a completed work), and "Constructing police huts at Perumallur" (Rs. 1,725, in progress). The action of the Executive Engineer, North Arcot division, in commencing the latter work in anticipation of an allotment of funds, was irregular.

12. Under Major New Works Rs. 2,000 have been allotted for improvements to the family quarters attached to the civil engineering college at Madras, a work commenced by the Consulting Architect to Government in anticipation of sanction. The

---

irregularity has been noticed in separate proceedings. A sum of Rs. 6,700 h
been provided for improvements in the Negapatam taluk cutcherry, a work u
needed. The Superintending Engineer, VI Circle, will have it put in hand a
and completed within the official year.

13. The statements printed at pages 18 and 47 of the final issue of the Pro
budget for 1885-86 are superseded by these proceedings.
