March 28th 1885.

To The Right Rev^d.

The Lord Bishop of Madras.

My Lord

I have the honor to enclose an estimate
for the flooring of our "New Organ" in
Holy Trinity Church.

We submit it for your Lordship's kind consideration,
and in order that, through you, it may be sent
to Government.

By the liberal gifts of many friends in India
and England, both members of the Congregation
and those in no way connected with it, a
sum of Rs 3000 has been collected for the
purchase of the Organ.

A very large sum indeed, gathered mainly
by the well directed energy and efforts

of the Rev. C. H. Petty, late Ag. Chaplain of this
Church.

And now through your Lordship, we would
earnestly ask the Gov.^{ts} to grant us their aid
in sanctioning the enclosed estimate, and
directing the P. Co. Depd.^{ts} to prepare
the flooring; for then, we ^{shall} have some
guarantee the work will be efficiently
carried out.

Your Lordship must be well acquainted with
the great difficulty we have had in raising
the money, bearing in mind the fact, that
Holy Trinity Church is a purely military one,
and that of the few civilians who do attend
the Church, the majority are those in the humbler
classes of life.

We therefore beg your Lordship to aid us
in obtaining this grant from Gov.^{ts}

To His Excellency
The Right Honble The Governor.
Cotacamund.

Your Excellency,

I have the honor to submit,
for Your Excellency's favorable consideration,

1. Letter from the Church Committee, dated 28th March.
2. Estimate signed by the Executive Engineer, dated 26th March.

Two requests from the Church Committee of Trinity Church, Bangalore, (1) that the sum of Rs 233 may be granted for the

purpose of constructing a floor for an Organ in the Church; (2) that the Department of Public Works may be directed to execute the work.

2. The grounds on which the Committee venture to make these requests seem reasonable: viz. that the large sum of Rs 3000 has been contributed for the purchase of the Organ; that it has required great efforts to raise the amount; that Trinity Church is a purely Military Church; and that private efforts for the improvement of Military Churches especially are worthy of encouragement.

3. To avoid a further communi-
cation to Government regarding this Organ

Organ, may I make a third request
viz. that Your Excellency will be pleased
to sanction the refund of the Customs
duty which will be charged on the landing
of the Organ, as has been done in some
previous similar cases.

I have the honor to be,
Your Excy's Most Obed^t & faithful servant,
