Order—dated 21st June 1883, No. 1215, Public.

In paragraph 1 of this Government Order it was directed that the report prescribed in paragraph 3 of G.O., No. 781, dated 7th June 1881, to be made to Government on each occasion of a public servant having recourse to the law for the relief of insolvent debtors, shall be submitted at the time the insolvent files his petition under the Act.

2. As, however, the main object is to enable Government to judge how far the insolvency is the result of extravagance or otherwise, for which purpose it is necessary to have the decision of the Judge in each case, the Government hereby cancel paragraph 1 of the Government Order in question, and direct instead that the required report shall be made to Government on the adjudication of each case, a copy of the Court's decision being submitted at the same time.

3. This instruction will not be understood as in any way affecting the G.O. of 7th June 1881, No. 781, which ordered the suspension of every Government servant on his having recourse to the Insolvent Act.

PUBLIC DEPARTMENT.

Read—the following paper :—

Extract from the Proceedings of the Government of India in the Home department (Public), dated Calcutta, 19th January 1884, No. 2—77-102.

Read—

Home department resolution, No. 100, dated the 12th January 1856.

Resolution—

In the resolution of January 1856 cited above, heads of offices having establishments in the pay of Government were directed to impress upon their subordinates the discredit attaching to a resort to the Insolvent Court, and to warn them that such a proceeding would be considered as of itself constituting a sufficient cause for exclusion from the public service, unless it should appear that the embarrassments of the insolvent had been the result of unforeseen misfortunes or of circumstances over which he could exercise no control, and had not proceeded from dissipated and extravagant habits. By a circular memorandum, No. 67-2816 to 2821, dated the 19th November 1874, heads of departments under the Government of India were requested to hold the registrar or head of the office responsible for reporting to the Secretary in charge or to the Chief of the department the insolvency of clerks or other assistants.

2. As there is reason to believe that the operation of these orders has to some extent been lost sight of, the Governor-General in Council in reproducing them desires to direct the attention of all local Governments and heads of departments to the imperative duty which devolves upon them of taking severe notice of the misconduct of clerks and other employés who allow themselves to fall into embarrassed circumstances. It is no valid excuse for hopeless indebtedness to show that it has been caused by standing security for friends—the plea which is frequently put forward in such cases. Assistants in Government offices should clearly understand that, if they voluntarily contract debts or obligations which they are unable to meet, they render themselves liable to summary dismissal.

Order—

Ordered that a copy of this resolution be forwarded to * local Governments and Administrations for information ;

that a copy be forwarded to all departments of the Government of India ; and

that a copy be forwarded to all heads of offices under the Home department for information and guidance.

* Madras,
Bombay,
Bengal,
&c., &c., &c.

It is suggested that a copy of this resolution should be given to every clerk on first appointment to Government service, and that it be entered in the order book of every Government office.

Ordered further that this resolution be published in the *Gazette of India* for general information.

Recording, with remarks, resolution of the Government of India regarding the insolvency of clerks in Government offices.

17th November 1885, No. 2679, Public.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following Summary of Orders passed on the subject of the Insolvency of Government Servants :—

The rule laid down in this behalf in 1859 was "that every person in public employ taking the benefit of the Insolvent Act should *ipso facto* be suspended from the service, and should not resume his duties without special orders from Government on a report to be made by the head of the office."

G.O., 28th October 1859, No. 2539, Public Works department.

Public servants were to be considered under suspension from the date on which they applied for the benefit of the Insolvent Act and until Government passed final orders on their cases.

G.O., 25th August 1864, No. 1279, Military department.

It was to be distinctly understood that public officers taking the benefit of the Insolvent Act, who might be permitted to resume their appointments, would on no account be allowed to draw salary for the period of their suspension.

G.O., 20th December 1864, No. 1445, Public department.

No reference was to be made to Government by heads of offices in respect of subordinates declared insolvents by the Presidency Court of Small Causes under the extension of chapter XX of the Code of Civil Procedure to that tribunal.

G.O., 6th January 1881, No. 7, Public department.

Government Order, 17th September 1881, No. 1262, Public, declared the last quoted order to be applicable to cases where the High Court have not granted a free discharge to insolvents.

In 1881, in supersession of previously existing orders on the subject, it was laid down that Government servants, who had recourse to the law for relief of insolvent debtors, should, *without exception*, be suspended, and that for the period of their suspension pay should follow the rule for other cases of suspension contained in section 53, Pay and Acting Allowance Code. In case of imprisonment for debt, pay might be withheld altogether, subject to further orders of Government.

G.O., 7th June 1881, No. 781, Public department.

Each case on occurrence was to be reported to Government in the Public department.

The Public Works department then came up with a reference in connection with the orders of 7th June and 17th September 1881. They pointed out these orders were in apparent conflict, as follows :—

June Order.	*September Order.*
1. That each case shall be reported on occurrence.	1. That no reference need be made in cases where the High Court has not granted a free discharge.
2. That insolvents shall *without exception* be suspended.	2. That cases should be reported for the orders of Government (no allusion being made to suspension).

Upon this the Government ruled that the provisions of the order of 7th June 1881 were to be considered final, and that there was to be no exception to the rule that Government servants having recourse to the law shall be *ipso facto* suspended. And the order of 17th September 1881 was at the same time withdrawn.

G.O., 20th May 1882, No. 270, Public.

In June 1882, public servants, drawing salaries of Rs. 20 and under, were exempted from the operation of the order directing suspension on recourse to the Act.

G.O., 30th June 1882, No. 472.

A year later it was ordered that while suspension took effect from date of having recourse to the Act, the report prescribed by G.O., No. 781, dated 7th June 1881, should be submitted with a copy of Court's decision on adjudication under the Act.

G.O., 21st June 1883, No. 1215.

In February 1884, the Government of India ruled, as this Government had on two previous occasions, that standing security for friends is no excuse for insolvency, and that public servants who voluntarily contract debts or obligations, which they are unable to meet, are liable to summary dismissal.

G.O., 26th February 1884, No. 349.

In communicating this order the Government repeated the exemption, from the operation of the suspension order, of clerks drawing less than Rs. 20.

The only subsequent order of any importance is G.O., 26th May 1884, No. 1098, wherein Government stated that it was not their intention that suspension should practically result in leave on full pay.

Order—dated 17th November 1885, No. 2679, Public.

The précis read above will be communicated to the departments of the Secretariat and heads of departments under the Chief Secretary to Government with an intimation that the reports received under G.O., 21st June 1883, No. 1215, have not, as a rule, been prepared in a satisfactory manner.

2. Attention is accordingly directed to the orders of the Government of India recorded in G.O., 26th February 1884, No. 349.

3. Heads of departments will, in future, submit with their reports, under G.O., 21st June 1883, No. 1215, copies of the insolvent's schedule and petition. The order of the Court is in all cases silent as to whether insolvency is the result of extravagance. It will be the duty of the officer submitting the report to express his opinion on this point and to bear in mind that reinstatement with arrears should only follow in the rare cases in which the insolvent is practically blameless. It should be stated in the report from what date suspension took place, and what subsistence allowance, if any, has been drawn during its currency under section 58, Pay and Acting Allowance Code.

4. In several cases that have recently come before Government it appeared that the insolvents concerned had, notwithstanding the order of suspension, been allowed to work as usual in their offices. This practice is prohibited for the reason that, after the insolvent has passed through the Court, it is made the ground for a claim to pay in full during the period of suspension.

+ With R.S. 10796. C.A.W. 21-11-85

5. The order of Government exempting public servants receiving salaries of or under Rs. 20 from the operation of the order, directing the suspension of Government servants having recourse to the Insolvent Act, is cancelled, as are all previous orders which may be held to be in conflict with any direction contained in the orders now issued.

Insolvents.

Passing orders on a case of insolvency in regard to the period of suspension, its interruption of previous service for privilege leave and pension, &c.

20 ... to the order

31st March 1888, No. 336, Public.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following paper :—

Endorsement of the Public Works Department, dated 24th February 1888, No. 802-C.

Order—dated 31st March 1888, No. 336, Public.

The Government decline to reconsider their order in the case of Mr. ——— who had taken the benefit of the Insolvents Act and was re-instated without arrears of pay.

2. In this, as in all other cases, the period of suspension runs up to the date of the Government order upon the case. If it were allowed to terminate on the date of the Court's discharge, as suggested by the Examiner, the result would be that the suspended officer would draw full pay for a period during which he had done no work.

3. The period of suspension in the absence of special orders will be considered as not interrupting previous service for privilege leave, but shall not itself qualify for such leave. It may count, however, as service for pension.

4. The Examiner should have reported what arrangement was made for the performance of Mr. ———'s work during his suspension, and whether any extra charge to the State was thereby incurred. It must be taken as a fixed rule that in no case will the Government consent to bear extra charge on account of arrangements brought about by the improvidence of their servants.
