From

The Executive Engineer
Nilgiri Division

To

The Superintending Engineer
Fourth Circle
Coimbatore

Sir,

I have the honor to report for your information that the weighing machine now in use in the Division is out of order having been long in use and its sale by public auction has been sanctioned in your N^o 578 of 26th October 1884. To replace this, I have close at hand a new weighing machine belonging to Ebrahimsait & Co. who are willing to part with it for Rs 100/- delivered at the Divisional Office. This is cheap and the cost of carriage up the Ghât is thus saved. I have accordingly purchased the same for Rs 100/- in anticipation of your sanction and request

Enclosure 1.

Estimate
(will follow)

you will please accord your approval to the enclosed estimate.

2. The charge will be met from the grant for Tools and Plant allotted for the Division for the current official year.

I have &c.
