Copy of letter from the Superintending Engineer 5 Circle to the Examining P.W. Accounts, No. 2038 of 11 August 1885.

With reference to my Supplemental Statement No. 2642 of 3rd July 1885 of Officers and Subordinates including inferior servants, who have attained the age of 55 years, I have the honor to inform you that the Executive Engineer reports, that Lascar Neerasawmy Chetty is unfit for further service in the Department, and that at present he is so sick as to be unable to present himself before the District Surgeon for examination.

My opinion, therefore, is now, that the Lascar should not be kept on in employment.
