9TH OCTOBER 1885, No. 2345 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Colonel H. R. MEAD, R.E., Superintending Engineer,
VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 28th
August 1885, No. 858 T.J.:—

With reference to paragraph 3 of G.O., No. 677 I., Public Works, dated 23rd
July 1884, I have the honor to forward an estimate for raising a wall on the south
side of the Cauvery river, in Kumbakónam town, as protection from floods in those
places where there is no space for an embankment. The cost of the wall is estimated
at Rs. 2,330.

2. I also forward copy of a letter from the Collector of Tanjore enclosing
proceedings of the Kumbakónam municipality, in which they state they are willing to
contribute two-thirds of the cost on condition that Government pay the other third.
The President does not give any separate opinion on the matter; so, I suppose, he
agrees with the members of the municipality.

3. I consider that the municipality have no claim whatever for any grant-in-aid
in the work of protection of the town. Should Government accept the offer of the
municipality, I suppose Government will relieve them of the charge of 24½ per cent.
for establishment, tools and plant, &c., on the contribution.

ENCLOSURE.

From J. B. PENNINGTON, Esq., Collector of Tanjore, to the Superintending Engineer, VI
Circle, dated Vallam, 19th August 1885, No. 628.

Adverting to your endorsement, No. 1896 T.J., dated 7th March 1885, appended to copy of
a letter from the Executive Engineer, Tanjore, I have the honor to forward an extract from the
proceedings of the municipal councillors, Kumbakónam, about the construction of a protective
wall along the south bank of the Cauvery from the bridge to the subjail.

2. The enclosures received with your letter under reference are herewith returned.

Proceedings of the Municipal Councillors, Kumbakónam, dated 12th August 1885.

Read Collector's letter, No. 591, dated 3rd August 1885, requesting the views of the
councillors, after reconsideration, about the erection of a protective wall along the southern bank
of the Cauvery.

Resolved that the councillors, on reconsideration, are of opinion that the construction of the
works included in the estimate is necessary. The councillors are willing to contribute two-thirds
of the cost on condition that Government will contribute the remaining third.

(Signed) P. W. MOORE,
Chairman.

Endorsement on the above.

No. 80 E.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommen-
dation that the estimate, amounting to Rs. 2,330, or Rs. 2,890 including establishment
and tools and plant charges at 23 and 1 per cent., respectively, for raising a masonry

wall on the south side of the Cauvery river, in Kumbakónam town, may be sanctioned under "Miscellaneous Public Improvements," two-thirds of the total estimate being paid by the municipality and the balance being met from Provincial Funds.

2. Under paragraph 83, clauses III and IV, of the rules communicated with the Government of India circular, No. 13, Public Works, dated 29th July 1885, an acknowledgment should be procured from the municipality to the effect that in undertaking the work this department does not accept responsibility for unavoidable and reasonable excesses, and the contribution by the municipality should be paid into the Government treasury either in lump sum or in such instalments and by such dates as Government may decide.

CHEPÁK,
5th September 1885.

(Signed) A. W. SMART, Captain, R.E.,
for Chief Engineer for Irrigation.

ORDER—dated 9th October 1885, No. 2345 W., Public Works.

The estimate, amounting to Rs. 2,330, for constructing a masonry wall on the south side of the Cauvery river for the protection of the town of Kumbakónam, is sanctioned.

2. The municipal council will pay into the Government treasury, to the credit of the Public Works Department, a sum of Rs. 1,925, as shown in the margin, as their contribution towards the cost of the work. The balance, Rs. 777, to be provided from Provincial Funds, will be allotted as soon as practicable.

	RS.	
Works	2,330	
Establishment and tools and plant ...	560	
$\frac{2}{3}$ of 2,890 = Rs. 1,925.		
Total ...	2,890	

3. The work will be carried out by the Public Works Department in accordance with the rules embodied in proceedings, No. 1976 W., dated 25th August 1885.

4. This sanction has been registered as Provincial, No. 134 W. of 1885-86, and classified as Miscellaneous Public Improvements, Original Works.

(True Extract.)
