Pay and Allowances Proceedings, Nos. 199-222 of 1879.

RESOLUTION.—From these Proceedings it appears to be an occasional practice in the Madras Presidency for the Government to make daily allowances to Public Officers for the provision of accommodation for their offices and records.

2. The Governor-General in Council considers that, subject to proper restrictions, this practice may be, sometimes, economical and convenient.

3. Accordingly, Local Governments and Administrations are authorised to grant allowances for the provision of office accommodation at their discretion upon the following conditions and restrictions, which shall apply as well in the Madras Presidency as elsewhere :—

I.—If separate accommodation is provided, the allowance shall not exceed the actual rent paid for such accommodation.

II.—If the Officer provides accommodation for the office in his own house, the allowance shall not exceed half the rent paid by the Officer if he rents the house, or half the proper rent of the house if it is his own property.

III.—The allowance shall not exceed—

(i) any general or special departmental limit which is or may be prescribed by authority ; or

(ii) what is ascertained in the Public Works Department to be a proper proportion of the rent of the house jointly occupied, with reference—

(1) to the share of the accommodation occupied ;

(2) to the injury to the house as a private residence from its partial occupation as a public office.

IV.—Except in the Forest Department, all grants for office accommodation being in substitution for charges which must otherwise fall upon Provincial Revenues, shall be recorded as office rent and charged to the Provincial Government.

REVENUE DEPARTMENT.

READ—the following letter from M. A. LAWSON, Esq., Director of Government Cinchona Plantations, Parks and Gardens, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 24th March 1885, No. 52:—

Adverting to our conversation in September last regarding securing a building for the residence and laboratory for Mr. D. Hooper, the Government Quinologist, I have the honor to report that I have now succeeded in securing a building recently erected by Mr. J. Browne, with the adjoining rooms, which are suited for the purpose.

2. The monthly rental for the whole is Rs. 70 per mensem, of which Mr. D. Hooper pays Rs. 35, and Government will have to bear the other half.

3. I have the honor to request therefore that you will be good enough to obtain the sanction of Government to the monthly payment of Rs. 35.

4. The payment of Rs. 35 per mensem will, however, only commence from the 1st March 1885, as the new building was only recently completed and occupied. From the 1st October 1884 to the 28th February 1885 the monthly payment will be only Rs. 20 per mensem for the laboratory alone.
