

ORDER—dated 4th December 1885, No. 899 M., Financial.

The Department of Public Works will be requested to be good enough to provide the requisite funds for this work in their budget for next year, if, in view of the somewhat urgent necessity therefor, funds cannot be provided from savings in the current year.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From F. OLIVER, Esq., Chairman, Municipal Council, Negapatam, to the Acting Chief Secretary to Government, dated Negapatam, 29th October 1885, No. 239.

I have the honor to forward the enclosed extract from the proceedings of the Municipal Council, dated 30th September 1885, and to request that Government may be pleased to accord their sanction to the closing of the existing Protestant burial-ground at this station.

2. The Councillors are of opinion that it is the policy of the Government to provide cemeteries and to vest the charge and control of them with the chaplains appointed by Government; and I am therefore to lay before them the urgent necessity for orders being passed to build the wall round the proposed extension of the cemetery at an early date, the work to be executed by the department of Public Works.

ENCLOSURE.

EXTRACT from the Proceedings of the Municipal Council, Negapatam, dated the 30th September 1885.

4. Read G.O., No. 462, dated the 3rd September 1885.

The Council are of opinion that the present Protestant burial-ground is over-crowded and that it is dangerous to public health, and also a public scandal to allow more burial to take place in the present cemetery. They resolve therefore that the sanction of Government be asked for, under section 240 of the Madras District Municipalities Act, to close the burial-ground after the 31st December 1885.

2. With reference to G.O., No. 462, dated the 3rd September 1885, the Council are of opinion that it will be impossible to meet the expenditure on the cemetery wall from savings. They observe that the District Municipalities Act does not make it compulsory on them to provide cemeteries, and they observe, moreover, that the revised rules regarding cemeteries appear to lay the responsibility of providing and maintaining cemeteries on Government, and they therefore resolve that Government be requested to provide the necessary funds for the purpose.

No. 822.

Endorsement on the above.

Submitted to Government.

VALLAM,
3rd November 1885.

(Signed) J. B. PENNINGTON,
Collector.
