3RD DECEMBER 1885, No. 1339, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following letter from M. A. LAWSON, Esq., Director of Government Gardens and Parks, Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 13th November 1885, No. 315:—

On the Coonoor Municipality claiming Rs. 18, as the assessment on the Sim's Park cooly lines for the year 1885-86, I claimed the amount on a bill from the local Treasury officer, who has declined to pass the charge without a certificate from the Executive Engineer, Public Works Department, Nilgiris.

2. This certificate, this officer will not grant on the grounds that the assessment claimed is too high, he valuing the building at Rs. 108, while the Coonoor Municipality take it at Rs. 240.

3. As there is thus a divergence of opinion between the Engineer and the Coonoor Municipality, I have the honor to request that you will be good enough to obtain the sanction of Government to the claim being passed, without the certificate, as I believe that the claim made by the municipality would be upheld if the case was to be referred to a court of law.

ORDER—dated 3rd December 1885, No. 1339, Revenue.

Land Revenue, No. 141.

The Treasury officer's objection to admit the charge is evidently based on the Accountant-General's circular, No. II, dated 27th February 1885.

2. Both the District Municipalities Act IV of 1884 and the Madras Municipal Act I of 1884 provide for the tax demanded being deposited before appeals are heard; and, under the modification of the Accountant-General's circular directed in paragraph 2 of G.O., No. 521-M., dated 17th September 1885, to suit the above mentioned procedure, the Treasury officer's objection to the payment reported in the paper read above will be removed. But the Executive Engineer should, if the appeal time has not expired, take the necessary steps to obtain a reduction of the assessment, which he considers to be too heavy.
