Subject.

N^o 3009 Wd/Dec 15. 1885

Regarding etc for
an Ordnance Store
Room.

With order

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the Public Works Department dated 27th
November 1885, N^o 1977 C.

From the Master Attendant, Madras, dated 2nd
December 1885, N^o 10275

In returning the papers received
with your endorsement N^o 2039, under date
the 1st December 1885, on the subject of a
site being required in the vicinity of the pier
for the construction of an Ordnance Store
room, I have the honor to state that any
urgency in the case can be met by
placing at the disposal of the Ordnance
Department one of the temporary sheds
erected for the use of the Commissariat
Department to the south of the South
Harbour dues shed.

2. It seems probable that the Port
Trust will take charge on 1st January 1886,

and

and in the face of such a position, it is impossible for this Department to recommend space for buildings, which may be disapproved of immediately such Trust assumes its functions.

Order thereon 10th Decr 85 No 537 has
Communicated to the Public Works
Department in reference to endorsement in
that Department, No 1977 C, dated 27th November
last, on the papers returned herewith.

It is observed that under the provisions of the Harbour Trust Act that has received the assent of the Governor in Council and is now under the consideration of the Viceroy in Council all lands on the beach that are not expressly excluded in the schedules annexed to the Act are handed over to the Harbour Trustees and any site required for the construction of Government buildings will have to be acquired by purchase from the Trust.

It is observed that the Ordnance Department already possess a small store in the existing buildings shown in the plan and it is possible that the additional space required might be secured by enclosing a Virandah or some other modification of the present store.

From

J. H. TAYLOR, Esq., Lieut., R.N.R.,
Master Attendant,
Administrative Department,
Madras,

To

The Honorable C. Forster Webster,
Chief Secretary to Government,
Marine Department,
Fort St. George.

SIR,

In returning the letter from the Quarter Master General A. 251^h dated August 5th last, and its enclosures, submitting an estimate for erecting a new store room and latrine for the Ordnance Department on the north beach near the pier at Madras, forwarded to me for report with endorsement A. 151^h 23, dated 26th idem, I have the honor to state that I cannot recommend any alteration in view of the approaching Port Trust. All the ground near the inner end of the pier is in a great requisition for placing non perishable goods not immediately removable. It is not possible to say what sites the Port Trust will select for offices &c. &c. but

but this place will probably be the first
to suggest itself.

I have the honor to be

Sir,

Your Most Obedient Servant

W. H. Taylor

Master Attendant
