No 310 From Brigadier-General R C STEWART, Quarter Master General, to Lieutenant-Colonel A KENNEY-HERBERT, Officiating Secretary to Government, Military Department, dated Ootacamund, 2nd December 1884, No 2277-A

With reference to the accompanying correspondence as per margin from the Superintending Engineer, IV Circle, and the Examiner, Public Works Accounts, I have the honor, by order, to request that the special sanction of Government may be obtained for the hiring of a private building at Wellington for the accommodation of Conductor Ascott of the Commissariat department, from the 21st April to 7th August 1884, at

Rs 35 per mensem, public quarters not being available

2 Referring to paras 1396-A to 1396-C, Public Works Code, quoted by the above officers, I am to request information whether it will be necessary in each case of this kind to address Government for sanction, or whether it would not be sufficient if each instance of quarters hired under the authority of the Commander-in-Chief at a higher rent than that laid down by regulations, were recorded in the statement of hired buildings submitted by this office to Government for approval half-yearly This latter course would be the more convenient and less troublesome to all concerned

No 312 ORDER THEREON, 30th December 1884, No 6425

Note

The question raised by C seems unnecessary from an audit point of view. The assumption of temporary head quarters by any officer has the effect of restricting his travelling allowance, and not increasing them.

Allowances are drawn for travelling beyond head quarters. Only in exceptional cases are allowances granted for halts at head quarters, and then, for 10 days only. vide Section 26. Rules of the T.A. Code.

The provision in rule 2 of this Section seems sufficient for all practical purposes, so far as can be seen.

The question raised
by C with require
decision by the foreman

intended for such
purposes.

The question is moreover
so abruptly put that
it cannot be thus
laid before fact.
It will have to be
amplified. This is
the business of the

the question, and not
of the Secretary, who
is only the channel

to have nothing to do with
the claim for daily allowance

appears to be admissible
under rule if the journey
having been made on duty,
as ordered by the D. & V. The

What orders are
wanted?

You do not quote
any rule which the

contravened, and is
not the Chaplain's
approval of the Bill
sufficient?

The June 200 says that the
permanent headquarters of
the place is fixed at Jodhpur.
Nothing is said about regarding
temp. Hq. quarters. Col. Meade
has proposed a change for the
Journey to Kodickamal but
not for the return Journey. All
we require is his approval to the
shift to Kodickamal on his own
authority as his temp. Hq. quarters.

we have omitted the charges
in the line between the
main and the sub-division

28/12/84

To B.W.

The question before the
Examiner is a claim
to daily allowances for the
11th & 15th October. The allow-
ance is admissible under
rule. The Chief Engineer
has approved of it.
No further orders seem
therefore to be required.
The question as to whether
a S.E. has power to fix his
own temporary headquarters
does not arise out of the
present claim. The
S.E. charges nothing for
his halt at Kodakanal.
