GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers :—

From Colonel ROSS THOMPSON, R.E., Officiating Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Shoranur, 30th October 1885, No. 432 E. W.

I have the honor to forward, for sanction and provision of funds, a revised estimate, amounting to Rs. 782, for alteration to the recreation and reading rooms of the British infantry regiment at Cannanore, together with a comparative statement showing the difference between the original and revised estimates.

2. The original estimate of Rs. 710 was sanctioned in G.O., No. 271 W., dated 4th February 1885, and the work ordered to be proceeded with in your memorandum, No. 669 C., of 30th March 1885. The excess of Rs. 72 over the original estimate is due to the two items—

- (1) Woodwork and (2) Flooring.
- (1) Larger scantlings than those allowed in the original estimate, and similar to those existing in the buildings, have now been used to keep the whole scantlings of one uniform size.
- (2) The flooring has been extended beyond the verandah of the library, as that portion was very bad.

From Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 7th December 1885, No. 4198 A.

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, &c., below-mentioned, which have been approved by the Commander-in-Chief. The estimate has been countersigned :—

Estimate, amounting to Rs. 782, for alterations to the recreation and reading rooms of the British infantry regiment at Cannanore, with a comparative statement and one enclosure.

2. An estimate for this work, amounting to Rs. 710, was sanctioned by Government in G.O., No. 271 W., of 4th February 1885, Military Department No. 761, dated 11th idem, and the excess in revised estimate is explained by the Superintending Engineer, IV Circle, as due to the necessity for larger scantlings and to the extensions of the flooring beyond the verandah of the library.

No. 6998, Military.

Approved, and transferred to the Public Works Department for disposal.

(By Order.)

FORT ST. GEORGE,
9th December 1885.

ORDER—dated 16th December 1885, No. 3015 W., Public Works.

2. A sum of Rs. 710 was provided for the work in G.O., No. 1563 W., dated 6th July 1885, and the balance, Rs. 72, is appropriated from the reserve with the Government under Military, Original Works.

Sir,

I have the honor to forward for

Estimate amounting to Rs. 782 for alteration
to the Recreation and Reading rooms of the
British Infantry Regiment at Cannanore,
together with a Comparative Statement showing
the difference between the Original and Revised

and the work ordered to be proceeded with

The excess of Rs. 72 over the Original Estimate
is due to the two items:-

(1) Wood work and (2) Flooring.
