READ—the following letter from Colonel H. D. CLOETE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 20th May 1885, No. 2751:—

I have the honor to forward, in original, a letter, No. 2316, dated 19th February 1885, received from the Superintending Engineer, III Circle, requesting me to obtain the sanction of Government for an allotment of Rs. 1,480, being the amount of compensation paid for the land taken up for police buildings at Bestavarpett, Cumbum taluk, Kurnool district.

2. Adverting to G.O., dated 15th September 1884, Mis. No. 2360, Judicial, the acting Inspector-General desired the Superintendent to acquire the site in consultation with the Collector, and the land was accordingly taken up and compensation paid; but subsequently the Government having, upon the representation of the Collector of the district, directed, in their orders, dated 21st February and 15th April 1885, Mis. Nos. 487 and 976, Judicial, that the police buildings should be built at Kandalapuram, where it is proposed to erect the Revenue buildings, I requested the Collector to hand back the land at Bestavarpett to the late owners and recover the amount paid to them, if possible. He reports that the owners are not willing to take back the land and repay the money. Under these circumstances, I request that this amount (Rs. 1,480) may be specially provided for from the reserve at the disposal of Government.

Letter—from

To
The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

I am directed to forward, for the confirmation of the Government of India, the accompanying copy of proceedings of Government in the Public Department, No. 1330, dated 18th June 1884, prescribing 6 per cent. on the capital cost of a building as the maximum charge for rent. Under existing rules * of the Government of India, no such limit has been laid down. The rental is required to be assessed at a figure that will cover interest at 4½ per cent. in addition to a fair allowance for risks and repairs. This allowance will of course vary slightly according to the character of the building; but, in the opinion of His Excellency the Governor in Council, it is desirable that the maximum rental to be charged should be fixed by rule; and the allotment of 1½ per cent. (equivalent to three months' rental), provided in the proceedings under reference, will, it is thought, amply cover all "risks and repairs."

2. The maximum monthly rents noted in the margin of the accompanying proceedings for the various grades of civil officers have been assumed as a guide to the Public Works Department, in framing estimates for the construction of buildings. They are not intended to affect the prescribed assessment of 6 per cent., which is to be paid as rent.

3. I am to request the early orders of the Government of India on these proposals, the circulation of which for the guidance of officers of the Public Works Department has been withheld pending a reply to the present communication.

I have the honor to be,

G.O., 2nd October 1884, No. 2429 W., Public Works.

Read—the following letter from R. B. BUCKLEY, Esq., Officiating Under Secretary to the Government of India, Public Works department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works department, dated Simla, 18th September 1884, No. 353-B :—

I am directed to acknowledge the receipt of your letter, No. 1958 W., Public Works, dated 11th August 1884, forwarding, for confirmation, copy of proceedings of the Government of Madras prescribing 6 per cent. on the capital cost of a building as the maximum charge for rent.

2. In reply, I am to state that the Government of India is not satisfied that 1½ per cent. on the cost of a building will always cover the cost of repairs and maintenance, as experience in other parts of India indicates that the average cost under those heads is fully double that percentage.

3. I am to add that the Government of India is not prepared to fix any maximum rental for public buildings occupied by its officers of other than subordinate ranks, whose case is met by the provisions of the Public Works Code, except that which may be determined by the calculation of 7½ per cent. on the cost.

Estimate

SIR,

I have the honor to request that the Examiner Public Works Accounts may be authorized to adjust the charge of Rs14.0.0 incurred in the Revenue Department on account of land taken up for the Police Buildings at Bestavarpet in the Cumbum Talook.

2 The land was acquired agreeably to G. O. No. 2114 3 W dated 29th August 1884, and paid for by the Collector. The amount was subsequently transferred through Exchange Accounts, and needs adjustment in this Department; but no specific appropriation seems now necessary as the transaction took place in the past official year.

3. The land is no longer required for the

purpose for which it was obtained; because it was decided in a later order (G. O. No. 428 W of 24th February 1885) that the Police Buildings should also be in Kandalapuram where the new Talook Cutcherry is to be built.

4 The Executive Engineer wrote to the Collector to know, if the owners would take back the land; but the Collector states that they are unwilling to take back the land and that nothing can be done to compel them to do so.

5. The Collector pointed out to the Inspector General of Police the advisability of abandoning the site at Bestavarpet; but the latter officer still wished to have the land secured and this was done.

6 Unless the Collector can see some way of utilising the land for any public purpose, perhaps it is necessary that the Collector should be instructed to have the land sold by auction or otherwise to the best advantage of Government.

7 An Estimate shewing the details of land taken up is submitted.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of the P. W. Dept., No. 1014 C, of 6th June 1885.

3025/13

Letter from the Collector of Kurnool, C No. 225, of 10th August 1885.

In reply to your reference No. 2075, dated 13th June 1885, J.D. I have the honor to state that under the present state of things I see no way of utilizing the land se taken up for Police buildings at Bestvarpeta for any other public purposes.

2. The land is on the side of the town opposite to that on which the Railway passes and it is likely that any public buildings hereafter erected will be somewhere near the Railway Station. Sites near it have been already selected for the Assistant Superintendent of Police's house and office and for the Taluq office.

3. Though there are some indigo vats a well and some trees on the land I have not been able to obtain any reasonable tenders for its purchase and do not think that it would sell by auction for any price worth taking.

4. The opening of the Railway to Cumbum cannot but enhance the value of property in the vicinity of the town: and I think it will be better to keep this land on hands for the present, renting it by auction from year to year.
