NOTE OF REMARKS.

1. The accompanying plans and estimate provide for constructing a residence with out-houses for an Assistant Superintendent of Police at Malapuzham in the Malabar district. The estimate amounts to Rs. 13,660. The main building - Rs. 9,590; the kitchen and store rooms - Rs. 2,740; the coach house and stables - Rs. 1,120; and a well - Rs. 210.

2. The design has been carefully prepared, and appears quite equal to answering the purpose it is intended to serve. - The masonry of the main building is to be laterite stone-in-mortar. The roof is to be pent, tiled with machine made tiles. Trusses and a plank ceiling are provided.

The trusses, the hip and valley rafters, and the purlins and bressummers as also the ridge piece are to be of teak. The other, inferior, roof timbers are to be of jungle wood.

The flooring is to be of concrete 5 inches thick plastered.

3. The scantlings of the timbers of the roof of the main building are correct. —

The rates are high, but are in accord with those of the 'schedule of rates' last received.

4. The plans and estimates have been countersigned by the Inspector General of Police, and have been approved in the Judicial Department.
