From The Executive Engineer

To The Superintending Engineer

Dowlaisheram

Sir,

In reply to your N^o 336 G. A. dated
3rd instant calling on me for an expla-
nation of delay in submitting Budget
estimates for this Division for 1886-1887,
I have the honor to reply as follows.

It appears that statements showing
proposals for budget requirements were
sent by the Accountant to me when in
Camp, at the end of August, too late
to reach your Office by 1st September. I
did not remember that they should
reach your Office by that date and
I do not think the Accountant re-
minded me of it. I then ordered
the Accountant to keep the estimates
pending consideration of the amount
to be entered for the construction of
a house for the collector. I regret that
this is such an unsatisfactory

explanation, and I shall be careful
to show greater punctuality in the
submission of returns in future.

I have the
Honor to be
Yours faithfully
