an increased rate of pay to —.

(d) The increase of Rs. 50 a month to the salaries of Assistant Engineers, 2nd grade, after three years service in their grade, will be given on specific recommendations on account of satisfactory service, and cannot be claimed as a right. This increase may be sanctioned by Local Governments and Administrations.

III Certain Civil Engineers with English training, appointed in India will be allowed the same privileges under the pension rules, in all respects, as officers included in Schedule B, L, II and III (1) of the Civil Pension Code. A nominal roll of these officers will be added to the Civil Pension Code hereafter.

IV In regard to Civil Engineers, appointed in India from the Civil Engineering Colleges or otherwise, and not included under III, who may rise to the rank of Superintending Engineer, the Government of India will be prepared to consider favorably their admission to the pension rules applicable to those included in Schedule B, L, II and III (1). This rule is subject to any general restriction that may hereafter be prescribed as to the amount of pension payable to public servants who are natives of India.

V Civil Engineers who were appointed to the Department as Assistant Engineers, 1st grade, after they had left other employment in India, will be allowed, on account of previous experience, to add to their pensionable service a period not exceeding three years, provided such previous experience was not acquired before the age of 25.

VI These rules will come into force on 1st January 1885.

Order—

Ordered that this Resolution be communicated to the Local Govern-

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.

ments, Administrations and officers noted in the margin, and that it be published in the *Gazette of India*, and in all local official Gazettes.

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 20th December 1884, No. 1475 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Resolution in the Public Works Department, No. 1442 G., dated 13th December 1884.

Resolution—

The Governor-General in Council directs that the following orders may be issued in continuation of the resolution now read again.

2. It is to be observed that the division of the whole staff of Executive and Assistant Engineers between those two classes is to be made on the actual and not on any sanctioned number on each list.

3. In working out the proportion in each grade of Executive Engineers under I (2), an addition of one may be made for a fraction greater than one-half.

4. The method of adjusting the number of Executive and Assistant Engineers in each grade under I (2) will be as follows—

Add to the 1st grade of Executive Engineers 20 per cent. of its own number and 20 per cent. on the number of superior officers.

Add to the 2nd and 3rd grades of Executive Engineers respectively 20 per cent. on their own number.

Deduct from 4th grade of Executive Engineers the sum of the numbers added to the three higher grades.

Add to the 1st grade of Assistant Engineers $12\frac{1}{2}$ per cent. of its own number, and 20 per cent. of all higher grades.

Deduct from the 2nd and 3rd grades of Assistant Engineers the number added to the 1st grade.

5. An example for 100 Executive and Assistant Engineers is worked out below:—

Superior officers	...	...	...	...
Executive Engineers, grade	i ...	14	+ 2 + 1.4	(3) = 13
"	ii ...	12	+ 2.4	(2) = 14
"	iii ...	18	+ 2.6	(3) = 16
"	iv ...	12	— 8	= 7
Assistant Engineers, grade	i ...	25	+ 3.125 + 11.4	(15) = 40
"	ii & iii ...	25	— 15	= 10

* This number should be the number of Chief and Superintending Engineers specially sanctioned for the Province or list.
A fraction of one-half or more adds one to the grade.

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Assistant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Sima Imperial Circle.

Ordered that this resolution be communicated to the Local Governments and Administrations named in the margin for information and guidance and to the Military Department for information.

Resolution in the Public Works Department, No. 1442 G., dated 13th December 1884.

Resolution—

In continuation of the Resolutions now read, the Governor-General in Council directs the issue of the following orders regarding Engineers transferred to other branches of the department:—

1. For the purpose of computing pension under Resolution of the Department of Finance and Commerce, No. 449, dated 18th April 1884, the following statement of equivalent rank will be held applicable:—

Civil Engineers in Class I of the State Railway Revenue Establishment,
in Classes I, II and III of Examiners of Public Works Accounts,
will be treated as Superintending Engineers.

2. The additional Rs. 50 a month given to Executive Engineers, 3rd and 4th grades, and to Assistant Engineers, 1st grade, under Public Works Department Resolution No. 1442 G., dated 13th December 1884, will also be given to Civil or Military Engineers transferred to the Accounts Branch and holding the rank of

Examiners, Class IV, grade 3, or Deputy Examiners. Also the Rs. 50 authorised for Assistant Engineers, 2nd grade, after three years' service in their grade, will be given to the Assistant Examiners, 1st grade, who have been so transferred on the same conditions, under the orders of the Government of India.

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.

The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India in Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Ordered that the Resolution be communicated to the Local Governments, Administrations and officers noted in the margin.

Office note from the Examiner, Public Works Accounts, dated Madras, 8th January 1885, No. 722.

[Your office notes, Nos. 2336 D. and 2146 C., dated 23rd and 31st December 1884].

If the basis of calculation is to be thirty-five Executive Engineers and forty Assistant Engineers, then the result will be—

Executive Engineers	...	...	...	...	...	...	...	...	38
Assistant	...	...	...	...	...	...	...	...	37

and the distribution of the above amongst grades will be—

Executive Engineers, 1st grade	...	...	...	...	...	...	...	...	11
" " 2nd "	...	...	...	...	...	...	...	...	11
" " 3rd "	...	...	...	...	...	...	...	...	12
" " 4th "	...	...	...	...	...	...	...	...	4

Assistant Engineers, 1st grade	...	...	...	...	...	...	...	...	31
" " 2nd "	...	...	...	...	...	...	...	...	6
" " 3rd "	...	...	...	...	...	...	...	...	37

or three Executive Engineers and three Assistant Engineers less than the present sanctioned scale.

2. If on the other hand forty-one Executive Engineers and forty Assistant Engineers our present sanctioned scale is to be considered as the basis of calculation, the sanctioned scale will stand thus—

Executive Engineers	...	...	...	...	...	...	...	...	41
Assistant	...	...	...	...	...	...	...	...	40

The distribution of the above into grades will be—

Executive Engineers, 1st grade	...	...	...	...	...	...	...	...	11
" " 2nd "	...	...	...	...	...	...	...	...	11
" " 3rd "	...	...	...	...	...	...	...	...	13
" " 4th "	...	...	...	...	...	...	...	...	6

Assistant Engineers, 1st grade	...	...	...	...	...	...	...	...	32
" " 2nd and 3rd grades	...	...	...	...	...	...	...	...	8
" " 4th "	...	...	...	...	...	...	...	...	40

3. I think it probable that Government of India will issue separate orders showing what the revised scale will be for each Province, &c.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

Sir,

1. I am directed to report, for the information of the Government of India, that, to give early effect to the Resolution No. 1442 G., of 18th December 1884, on the subject of the Engineer establishment of the Public Works Department, His Excellency the Governor in Council has decided to make, from the 1st January 1885, ten promotions in the Executive Engineer grades and nine in the Assistant Engineer grades on the Madras list.

2. These numbers are based on the actual and sanctioned strength of the establishment, which comprised up to 1st January two Chief Engineers, six Superintending Engineers, forty-one Executive Engineers, and forty Assistant Engineers. It is proposed to promote two Executive Engineers 2nd grade to 1st, three Executive Engineers 3rd to 2nd, and five Executive Engineers 4th to 3rd; also nine Assistant Engineers 2nd to 1st grade. The numbers so arrived at in the different grades are in the proportions fixed in Resolution No. 1475 G., of 20th December 1884.

3. I am to inquire whether these proposals are in accordance with the intentions of the Resolutions referred to. The favor of an early reply is requested, in order that the promotions may be notified with as little delay as possible.

I have the honor to be,

Sir,

Your most obedient servant,
