REVENUE DEPARTMENT.

READ—the following letter from Colonel H. P. HAWKES, S.C., President, Madras Committee, London Exhibition, 1886, to the Secretary to Government, Revenue Department, dated Madras, 4th December 1885, No. 816 :—

Some months ago Dr. Bidie received a demi-official note from Mr. Royle asking for some pecuniary aid towards the effective exhibition of the collection of articles for the London Exhibition to be sent from Madras.

2. Dr. Bidie, by desire of the Committee, replied that it had been all along understood that the Royal Commissioners would themselves defray all expenses connected with the exhibits after arrival in England.

3. Mr. Royle now writes in reply that though the Royal Commissioners have undertaken to supply all that is *necessary* for the installation of the various collections, they will make no money grant and there may be some difficulty in providing the skilled assistance required for the effective exhibition of our jewelry, silk, &c.

4. The expenditure and liabilities up to date are approximately as follows :—

	RS.	A.	P.
Expenditure as per Bank book	18,628	4	4
Liabilities for articles still due	454	8	0
Due to School of Arts, Madras	1,600	0	0
Transferred to Department of Public Works	3,000	0	0
Total	23,682	12	4

5. This leaves us with a balance in hand of about Rs. 8,317-3-8 of the sums of Rs. 30,000 originally granted by the Madras Government and Rs. 2,000 being the Government of India's grant towards the cost of the Madras screen.

6. As the Committee are of opinion that a reasonable expenditure to ensure the good display of our exhibits is a legitimate charge on our grant, I have the honor to solicit sanction to forward a sum of £50 to Mr. Royle to be used for the above purpose.
