The cases entered in the last report as "under 2, 3 and 4 months in arrear" under Department of Public Works, as also the 15 Local Fund cases entered as 5 months old, have all been disposed of. For 11 out of the 21 and 96 out of the 113 entered as "within 1 month in arrear" under Department of Public Works and Local Funds respectively, cheques have been issued for payment.

The number of cases remaining undisposed of is 349 as detailed below :—

(b and c).—The Superintending and Local Fund Engineers have been reminded to dispose of the 2 and 27 cases referred to them respectively.

(d).—The Devarakót Zemindar has been asked if he would accept the rate offered by the Department of Public Works. His reply is awaited.

5. The discrepancies between columns 6 of statements Nos. I and II received from the Sub, General Duty Deputy, and Temporary Deputy Collectors are explained at foot.

Resolution—dated 10th November 1885, Mis. No. 10101.

The number of cases pending at the beginning of the month was 514, and 178 more were received during the month, making a total of 692 cases. The number disposed of in the course of the month was only 48, or 7 per cent. Out of the remaining 644 cases, compensation has been settled and statements submitted to the Board in 24, and bills to Engineers in 271 cases : 275 are pending payment and the others are distributed as follows :—12 with the Sub-Collector, 3 with the General Charge Deputy Collector, and 6 with the Temporary Deputy Collector, 2 are under reference to Superintending Engineer, 27 to the Local Fund Engineer, and 24 to the Zemindar of Devarakót.

2. The progress made during the month shows little improvement over that of the previous month, and the number of cases pending payment continues large. In the 4 cases in the Nuzvid division, adverted to in the 3rd paragraph of the Board's review for June, bills have been sent to Public Works Department, but the 26 old cases pending with the Local Fund Engineer are still unsettled.

3. It is observed that in case No. 106 in the Sub-Collector's list, column 2 has not been filled up. In cases Nos. 112 to 114 in which land was taken up in 1881, it is said that the Tahsildar's proposals are due. The settlement of these cases should be expedited. Case No. 81 in the Temporary Deputy Collector's list, in which a fresh assignment has been sanctioned, may be struck out.

ORDER—dated 5th December 1885, No. 1349, Revenue.

Miscellaneous.

Only 48 cases out of a total of 692 are shown to have been disposed of during the month. A large number (275) are shown to be pending payment. If notices have been served on the claimants to appear and receive their money, the cases should be struck off the register.

2. Credit should not have been taken in this report for bills Nos. 7, 28, 31, 57, and 59, which are dated September 1885. Bills Nos. 80 and 3, dated 2nd and 9th April 1883, respectively, appear to have been returned to the Collector (vide G.O., dated 29th June 1885, No. 3288). For the bills marginally noted, the old numbers are repeated. This should be corrected in future reports (paragraph 3 of G.O., No. 1184, dated 23rd October 1885).

The decrease of Acres 36 in the opening balance in the Sub-Collector's statement is explained at its foot.

3. The figures in the above table are as given by the Divisional officers.

4. Of the 514 cases in column 10, statements have from this office been submitted to the Board for 25 cases and bills to Engineers for 222—total 247, distributed as below:—

Sub-Collector ..	...	...	...	...	...	50
Head Assistant Collector ..	...	...	...	...	...	12
General Deputy Collector ..	...	...	...	...	...	146
Temporary Deputy Collector ..	...	...	...	...	...	39
Total ..	...	...	...	...	...	247

Resolution—dated 23rd September 1885, Mis. No. 8763.

The total number of cases for disposal was 527, of which 13 were disposed of within the month. Out of the remaining 514 cases, compensation has been settled and statements submitted to the Board in 25 and bills to Engineers in 222 cases. One hundred and seventy-six cases are pending payment, and the remaining 91 cases are pending as follows:—

30 with the Sub-Collector.
3 " General Charge Deputy Collector.
6 " Temporary Deputy Collector.
25 are under reference to the Superintending Engineer.
27 do. do. to the Local Fund Engineer.

2. The number of cases disposed of in this month is very small. The Collector is requested to see that a considerable reduction is forthwith made in the number of cases pending payment.

3. The extent of land entered in note 2 to statement No. II from the Sub-Collector as occupied without reference to the Revenue Department is incorrectly entered as Acres 149·13 instead of Acres 139·13. Of this extent 75 cents appear to have been occupied by the Local Fund Department and the rest by the Public Works Department.

ORDER—dated 23rd October 1885, No. 1184, Revenue.

Miscellaneous.

The progress made in July in the disposal of claims for compensation is not satisfactory, only 13 cases having been settled out of a total of 527.

2. The 24 old cases relating to the Devarakót Zemindari and shown in previous reports against the Collector have apparently been transferred to the Sub-Collector.

3. Adverting to paragraph 4 of the Collector's letter, it is observed that bills Nos. 6 and 43 to 45 are dated August 1885. They should not have been shown therefore against the Public Works Department in the present report which refers to July. So also bills Nos. 80 and 3 of 1883 which are with the Collector.

Paragraph 3 of G.O., No. 1140, dated 9th October 1885.

Vide Superintending Engineer's letter embodied in G.O., Public Works Department, No. 2315 W., dated 6th October 1885. For Nos. 94, 68, 69, 74, 75, 78, 88 and 89 revised bills appear to have been substituted, and the numbers of the latter should have been quoted.

4. The irregular occupation of land referred to in paragraph 3 of the Board's Proceedings will be noticed in the Financial and Public Works Departments.
