DOWLAISHWARAM, 14th Nov^r 1885.

Dated 14th Nov^r /85

SIR,

I have the honor to bring to your notice that under the sanction conveyed in para 3 of G.O. No. 2072 W dated the 5th September 1885 the Executive Engineer Godavari Eastern Division has appointed two draftsmen one on inst^d the Rs. 70 and another on Rs. 15⁺ per mensem sanction of Rs. 20.

2. These two men did not pass the draftsman's test. The first of them named D. Venkannah is a Delta Superintendent in the Eastern Division and is a neat draftsman and the Division Officer has therefore selected him for the post giving him a lien on the Delta Superintendent's post.

The

The 2nd man whose name is P.
Latiah is a fair Draftsman - As it
is very difficult to get fully qualified
men for temporary posts of short duration,
I have approved of the above appointments
and request that you will be so good
as to obtain the sanction of Government
authorizing the Examiner of Public Works
Accounts to admit the salaries of these
two men as long as they hold the posts
in question. The proposition state-
ment required in the home G. O. will
be submitted shortly.

I have the honor to be
Sir

Your Most Obedient Servant

Wm. J. Fox

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 26th May 1885, No. 53 C.

With reference to paragraph 4 of G.O., No. 1147 W., dated 15th May 1885, I have the honor to report that the reductions which can be effected in the existing temporary establishment of this circle will depend on the amounts by which the grants for the works are reduced.

2. Should it be determined to make material reductions in the grants, the two temporary divisions for the Rushikulya project and the Central delta of the Godáviri might be provisionally absorbed into the Ganjam division and the Godáviri Eastern delta division, respectively, the works being carried on by one or two sub-divisions in each case according to requirements.

3. In any case the Rushikulya project division might be amalgamated with the Ganjam division, as the limited supply of labor available in the Ganjam district precludes the possibility of the project works being vigorously pushed on with, except to the detriment of the rest of the district.

4. Should it be necessary to temporarily absorb the Central delta division into the Eastern delta division, Godáviri, the necessity for a separate sub-division for the Dowlaiswaram quarries would cease and the lately sanctioned southern sub-division of the Eastern delta division might also be provisionally abolished.

5. The establishment of this circle is at present four upper subordinates below the sanctioned strength, although there are two temporary Assistant Engineers more than the authorized number. These latter unless they are natives who have had a good practical training in the department are generally a very doubtful acquisition.

6. The services of the following members of the temporary establishment may be dispensed with according to the necessities of the case :—

Mr. Lowry,	Temporary Assistant Engineer.
„ O'Flaherty,	do. do. do.
„ deClosets,	do. do. do.
„ Mathews,	do. do. do.

The number of the temporary subordinates cannot be reduced unless it is determined to discontinue the works altogether.

From the Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaiswaram, 10th June 1885, No. 543 G.D.

With reference to your memorandum, No. 801 C., dated the 16th April 1885, I have the honor to submit herewith for sanction two statements, one showing the actual amounts of salary provisionally audited by the Examiner of Public Works Accounts in 1884-85, and another showing the temporary establishment required for 1885-86 in the Godáviri Eastern division.

[illegible]

* Proposed in this office letter, No. 1584 G.D., dated 21st September 1884.

Extract from letter from the Superintending Engineer, I Circle, dated 11th June 1885,
No. 560 G.D.

"4. The verification of the plans sent to the Eastern division, Godáviri, has been delayed for want of draftsmen, for whom provision has been made in the statement of temporary establishment required for 1884-85, which was sent to Government in January 1885, but it has been returned for revision. A fresh statement has been submitted."

No. 63 E.W.

True copy forwarded to the Chief Engineer, Public Works Department, with a request that early sanction may be accorded to the employment of the temporary draftsman therein referred to.

CHEPÂK,
22nd June 1885.

(Signed) A. W. SMART, Captain, R.E.,
for Chief Engineer for Irrigation.

From the Superintending Engineer, I Circle, to the Chief Engineer for Irrigation,
dated Dowlaishweram, 4th August 1885, No. 967 G.D.

With reference to your memorandum, No. 12 G., dated 19th June 1885, I have the honor to inform you that, as already stated in this office No. 560 G.D., dated 11th ultimo, the verification of the plans sent to the Executive Engineer, Eastern division, Godáviri, has been delayed for want of draftsmen, for whom provision has been made in the statement of temporary establishment required for 1885-86, which was submitted to the Chief Engineer, Public Works Department, with this office letter, No. 543 G.D., dated 10th June 1885, for the sanction of Government.

No. 77 E.W.

Forwarded to the Chief Engineer, Public Works Department, in continuation of this office No. 63 E.W., dated 22nd June 1885.

CHEPÂK,
14th August 1885.

(Signed) A. W. SMART, Captain, R.E.,
for Chief Engineer for Irrigation.

ORDER—dated 5th September 1885, No. 2072 W., Public Works.

In the statement of temporary establishment required for the Godáviri Eastern division during 1885-86, the provision made for additional office establishment to be employed in the quarry sub-division has been struck out, as in existing circumstances sanction cannot be given to any addition to the temporary establishment already employed. The provision for an Assistant Engineer has also been struck out, as the item has been separately provided for. The comparative statement A, as corrected, is sanctioned.

2. The Examiner of Public Works Accounts is authorised to admit in the accounts for 1884-85 the cost of establishment detailed in statement B.

3. The Superintending Engineer will submit, through the Chief Engineer for Irrigation, a proposition statement in the prescribed form for the number of draftsmen actually required for verification of plans in the Godáviri Eastern division. In the meanwhile he is authorised to employ the men.

4. In his letter, dated 26th May 1885, No. 53 C., the Superintending Engineer proposes to amalgamate the Rushikulya and the Ganjam divisions. The permanent

amalgamation of these divisions having been already ordered in G.O., No. 907 W., dated 16th April 1885, such proposals as may be necessary for carrying out the same should be submitted for approval.

5. The sanction accorded in paragraph 1 of these proceedings has been registered as Provincial No. 36 W. of 1885-86, and classified as Establishment, Temporary.
