No. 59

From

The Director-General of Ordnance

To

The Inspector General of Ordnance
Madras

Dated Simla 7 April 1884.

It is requested that plans of all the
Arsenals, Depots and Factories in the Madras
Circle, may be prepared and forwarded to
this Office as soon as possible, these should
show all additions to date, and, if possible,
the distribution of store rooms in Arsenals.

To
The Executive Engineer
Presidency Division

Sir

The Director General of Ordnance
in India having called for plans of all
the Ordnance Buildings in the Madras
circle, I have the honor to request that
you will favour me with plans of the
Buildings marginally noted at early
convenience. Where the Buildings are
double storied, it is requested that
elevations or sections may be given,
it being necessary, before their despatch
from this office, that the purposes, for
which the several rooms are now utilized,
should be shown. The only old plans
which are existent in this office, are
the two enclosed, one of the Madras
Arsenal and the other of the Gun Powder
Factory.

Sir,

Enclosures 3.

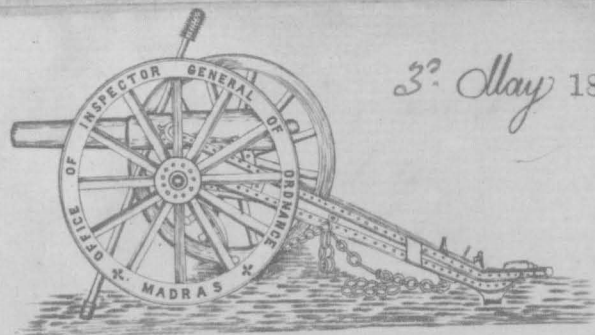

In returning the enclosures of your letter No. 710 dated the 25th Instant, I have the honor to inform you that as the work which the Executive Engineer has on hand will not admit of his furnishing you with the plans of the Arsenal and other Ordnance buildings, it appears to be necessary that application should be made by the Ordnance Department to the Government in the P. W. Department, for sanction for an Extra Draughtsman to be entertained, in order that the plans may be at once drawn out and made over to you.
