SIR,

Enclosures.

With reference to G.O. No. 2725
dated 4th November/84, I have the
honor to request that the sanction
therein accorded for the entertain-
-ment of 2 Temporary clerks for
sorting the old records in the
Luddapah Division, may be
extended for a further period
of 3 months. The Executive
Engineer reports that notwith-
-standing their diligence and

extra hours of attendance, the
Temporary clerks have not been
able to sort more than one half
of the old records, which comprise
the records of three Districts; and
that unless sanction is given for
another 3 months, the work will
have to be left half-done.

I have the honor to be
