There appears to me to be some objections to S. L's. proposals — Mr. Hancock was nominated solely for works under Court of Wards — his salary is to be a charge against the Estates concerned. Yet he has not joined the appointment sanctioned + we are reporting that he has. Further, it is proposed that he should hold, in addition to Pata Nundi, an ordinary E.W. Subdivision. This seems quite irregular + was never intended. If required, I presume a share of his pay would be a charge to Provincial Estates. It is not stated why the Ad. should take charge at one of Vasa Nundi clerk why Chicacole Sub. charge of at all, and ted. Our answer

I am under the impression that W. replied to Mr. Jenkins's d/o about Mr. Hardcastle, & decided that it was too late to alter the arrangements made. Under Mr. H. will now be under proper control & under professional guidance of E.E. & S.E., & if found wanting can be removed. On W's return I shall ascertain if I am correct in above assumption.

(a) Mr. H's date of joining has to be reported to India.

In reply to W. Gazetteer's note of 2-2-85, I stated that W. Handcock had been appointed, & that it was too late to reconsider that matter. Also that his appt. was temporary, and could be ended on one months notice, if he failed to give satisfaction to the E E of Sanjam Division & the S. E. of I Circle
