READ—the following letter from Major A. C. SMITH, R.E., Executive Engineer, Nilgiri division, to the Superintending Engineer, IV Circle, dated Ootacamund, 11th February 1885, No. 601 S.E. :—

With reference to your endorsement, No. 551 N.I., dated 8th November 1884, on letter No. 5377, of 31st October 1884, from the Superintendent of Post Offices, Coimbatore, I have the honor to report that that officer now returns the estimate sent for his countersignature, and states that the Postmaster-General, Madras, does not consider the work necessary. The sum of Rs. 504 provided to meet the additional expenditure during the current official year, under "Imperial, Other Services, Original Works, Postal," will therefore not be required and may be surrendered, unless the amount can be utilised towards meeting a portion of the expenditure (Rs. 2,348) incurred on converting the cattle-shed at the Lawrence asylum into a latrine, and for which provision of funds has yet to be made under Imperial Original Works; but this will involve a transfer requiring the sanction of the Government of India.
