Endorsement on the above.

To the Chief Engineer, Public Works Department, in continuation of endorsement, No. 3373, dated 2nd December 1884.

CHEPÁK,
6th December 1884.

(Signed) H. L. PRENDERGAST, Colonel, R.E.,
Superintending Engineer, V Circle.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle,
to the Chief Engineer, Public Works Department, dated Chapák, 15th
December 1884, No. 3561.

With reference to your memorandum, No. 2049 C., dated 11th instant, I have the honor to state that the additional stock of 200 tons of timber sanctioned is not considered sufficient to give a reserve for future requirements, and the General Superintendent of the Public Works Workshops has asked that 500 tons may be obtained.

Order—dated 16th December 1884, No. 3098 W., Public Works.

The supply of teak timber sanctioned in G.O., No. 2987 W., dated 4th December 1884, may be increased to 500 tons as recommended by the General Superintendent, Public Works Stores.

READ—the following letter from H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 16th August 1884, No. 5613-A. :—

I have the honor to request the sanction of Government for the purchase of the house in which the Government girls' school at Vellore is now located. The house is valued at about Rs. 800 by the Executive Engineer, and the owner has consented to sell it for Rs. 700. The rent paid at present is Rs. 4, but it would appear that the owner desires that it should be raised to Rs. 7, or the building vacated. Dr. Bradshaw reports that the class-rooms are sufficiently large and that the locality is the best available for a girls' school. A ground plan of the building I beg to enclose for the inspection of Government.

2. The charge can be met from savings in the provision for "high, middle and primary schools" in the budget estimate for 1884-85.
