To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

MILITARY DEPARTMENT.

SIR,

I am directed to forward a statement of military works for which funds are urgently required during the current official year, and to request that the Government of India may be moved to allot, if possible, either the whole or a part of the demand, which amounts to Rs. 1,13,487.

2. The major works mentioned in the statement are all projects which His Excellency the Commander-in-Chief is anxious to have pushed on to early completion; and the demand under minor works is on account of urgent works commenced in anticipation of allotments, and others held in abeyance for want of funds, but the completion of which is strongly urged by the Military authorities.

I have the honor to be,

Sir,

Your most obedient servant,

Sirs,

Enclosure 1.

In reference to your Memoran-
dum N^o 220.C. of 5th Instant, I have
the honor to forward a letter from
the Executive Engineer West coast
Division from which it will be
seen that he is unable to propose
any transfers from other Military
Works to meet the excess outlay already
incurred on the urgent requisitions
of the Military Authorities.

Converting the old Artillery 2. Against
Stables at Coimbatore into a battery the estimate of
and sinking a well. ————— Rs 11,380 Rs. 5000
was expended in the last year. The
current

current years grant Rs. 2,500 has already been exceeded. In addition - a grant of Rs. 3880 was applied for in this office No. $\frac{356}{6.77}$ of 24th July 84.

Improvements to the 3. Against Canteen at Malapuram an estimate of Rs. 1455, Rs. 1020 were spent in last year. An appropriation for the balance was not necessary under para. 2273 III of the P. W. Code. Vide Statement B which accompanied G.O. No. 1581 W of 24th June 1884.

Flying lightning 4. Against Conductor to the Magazine an estimate of the Native Infantry of Rs. 500, at Kannanore — Rs 82 represents the outlay of last year. No appropriation is necessary for the same reasons as stated above.

Works costing Rs. 5005 The and below each. — expenditure on these works up to 31st December was only Rs. 1832 while the amount shown in the Memorandum under reference

reference is Rupees 8,758. I can not understand how you got this figure, which is apparently a clerical error.

6. Under these circumstances I beg you will be good enough to authorize the Examiner to pass the excess outlay already incurred; if funds are not available at the disposal of Government.

Sir, With reference to your en-
dorsement No. 53 dated 9th February
1885 on Chief Engineer's Memoran-

1885, I have the honor to report
that the works in question are the
in complete works of last year and
they were completed before the for-
mation of this Division.

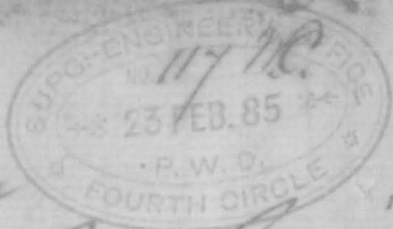

To provide funds to meet ex-
cess outlay, it is, I consider, un-
advisable to stop all the works, the
allotments of which are nearly
worked

worked out and to meet outlay
